To A Special Friend . . .

We would like to dedicate the 1976 Dynamis to you for your endless devotion and concern for the students at Northwest. If we ever had a problem or needed guidance, you were always there wearing a big smile and holding out a helping hand. You gave us encouragement and no matter what the problem, you instilled in us that there is a bright side to everything. You made each student feel self-worthy and always brightened our days with your sense of humor.

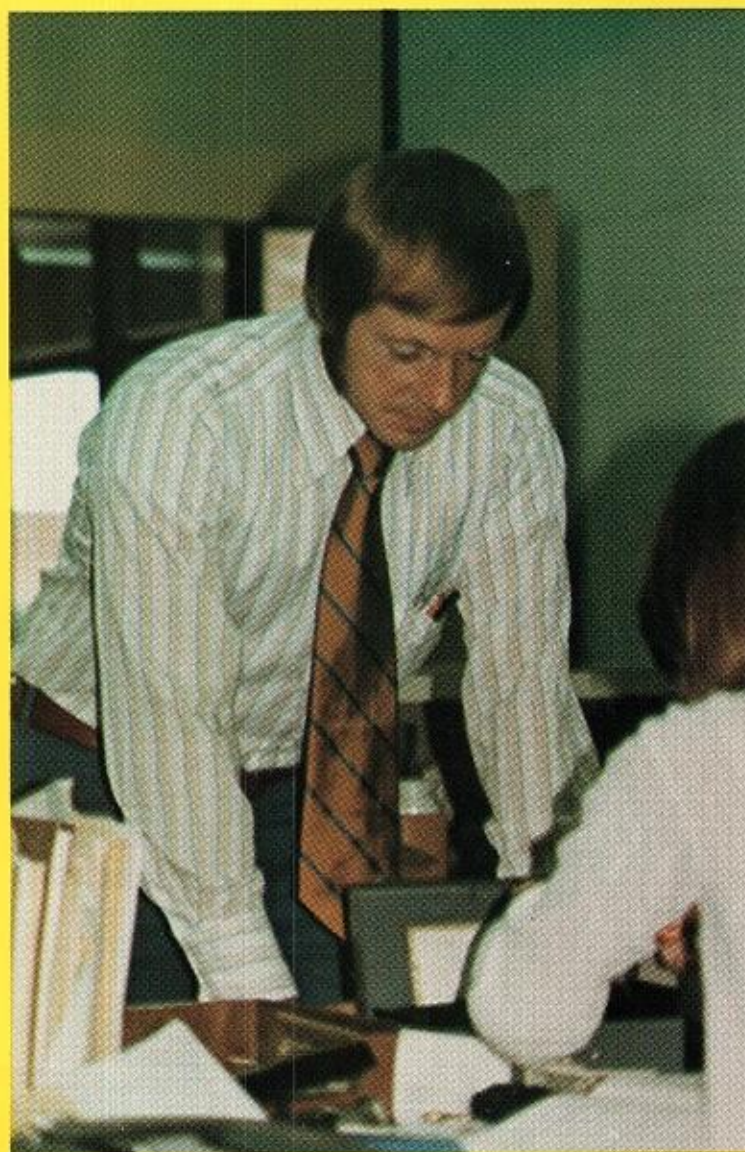

All our thanks go to you for your advice, patience and understanding. All of those outstanding qualities truly make you our special friend, Miss Betty Presson.

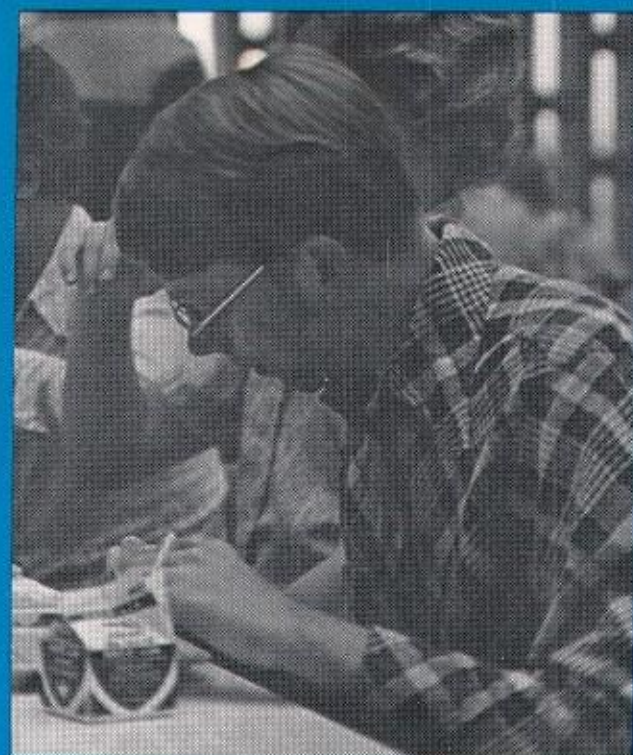

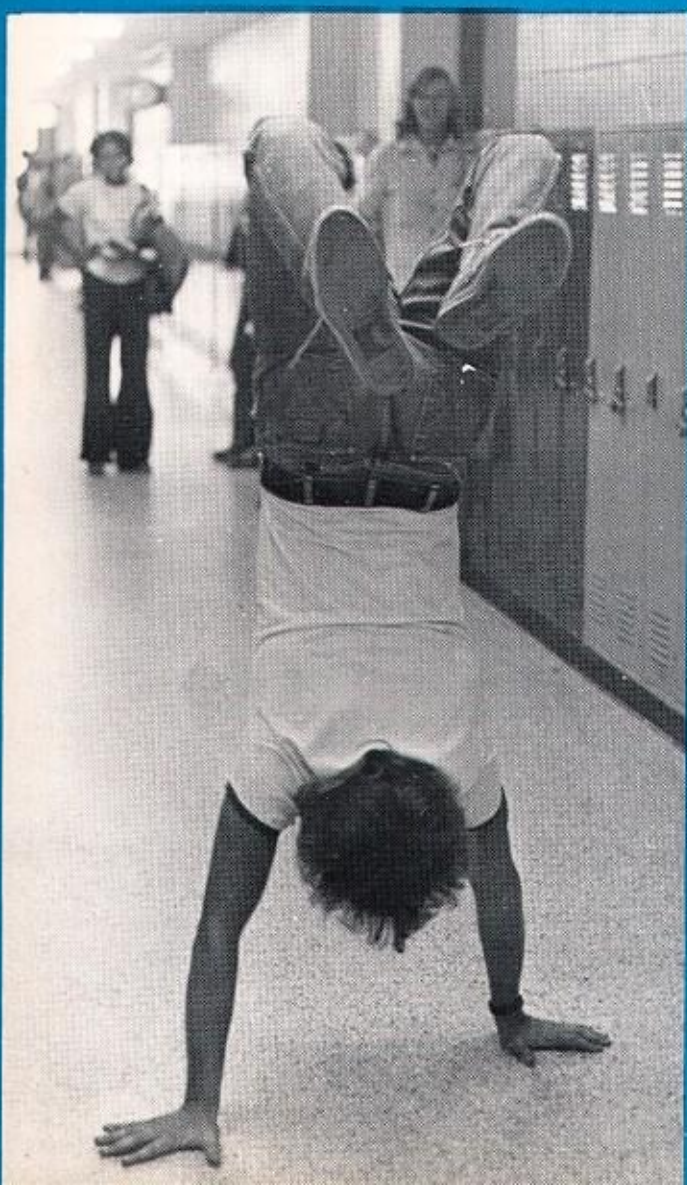

To A Trojan Leader . . .

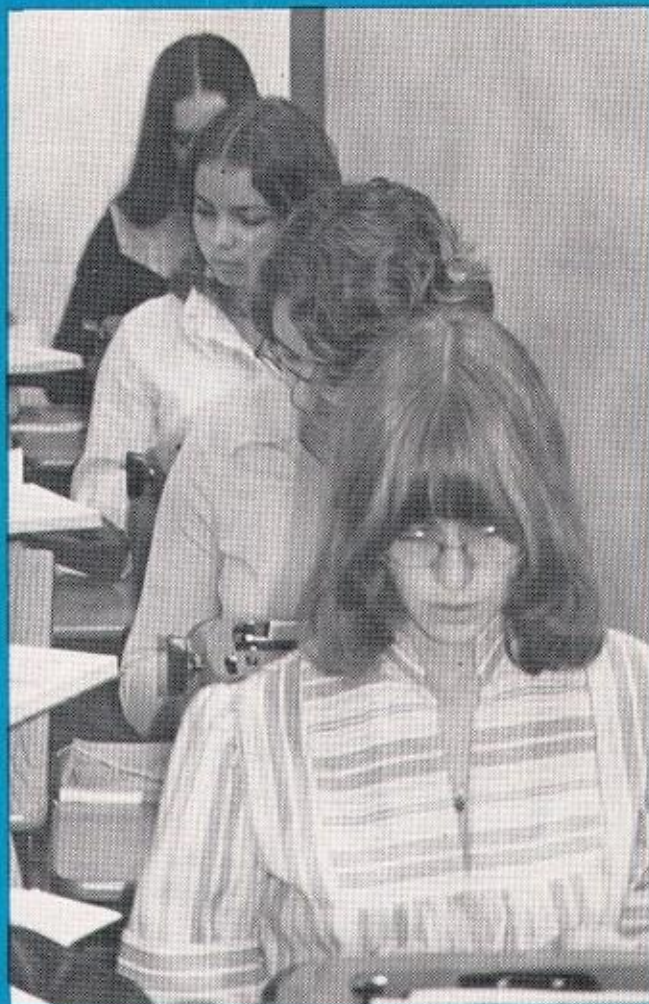

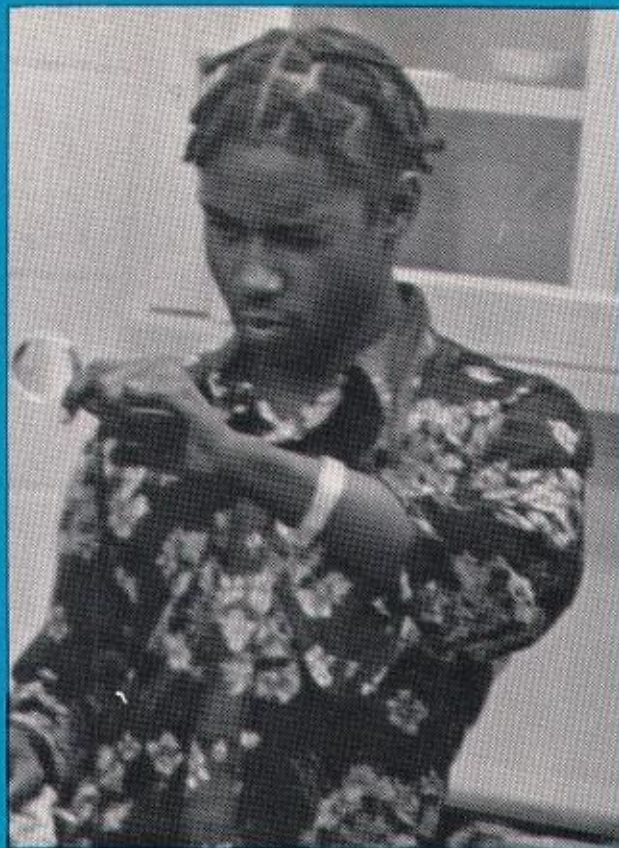

Alone, always alone, yet a vital part of the Trojan team; an inspiring teacher, a successful coach, a trusted friend, one who cares for the students at Northwest—these are the qualities which have instilled in us respect and affection for you; “golly dang,” Coach Gilreath, its been great having you with us, and to a Trojan leader we dedicate the 1976 Dynamis.

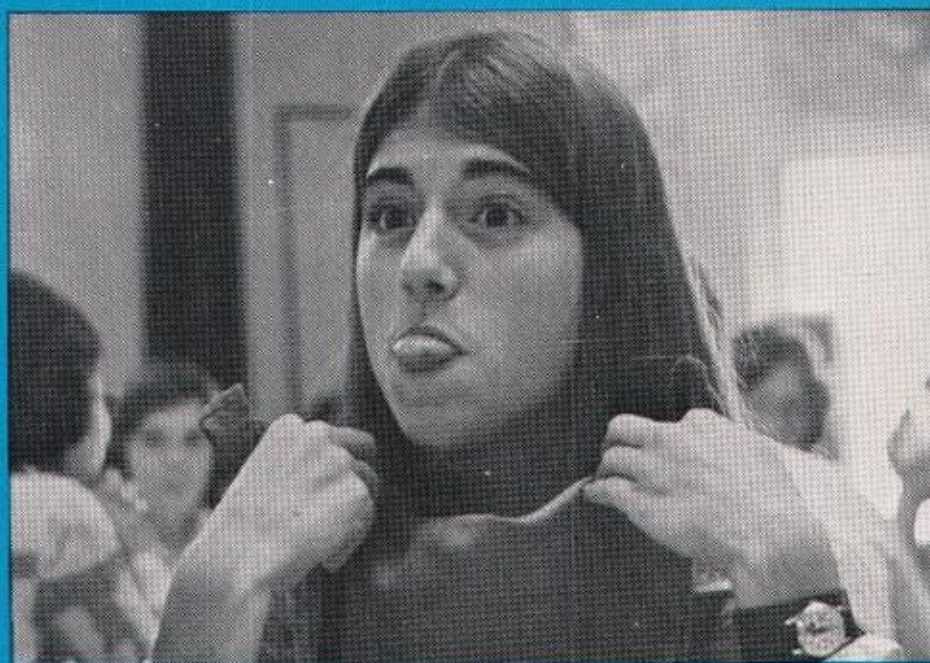

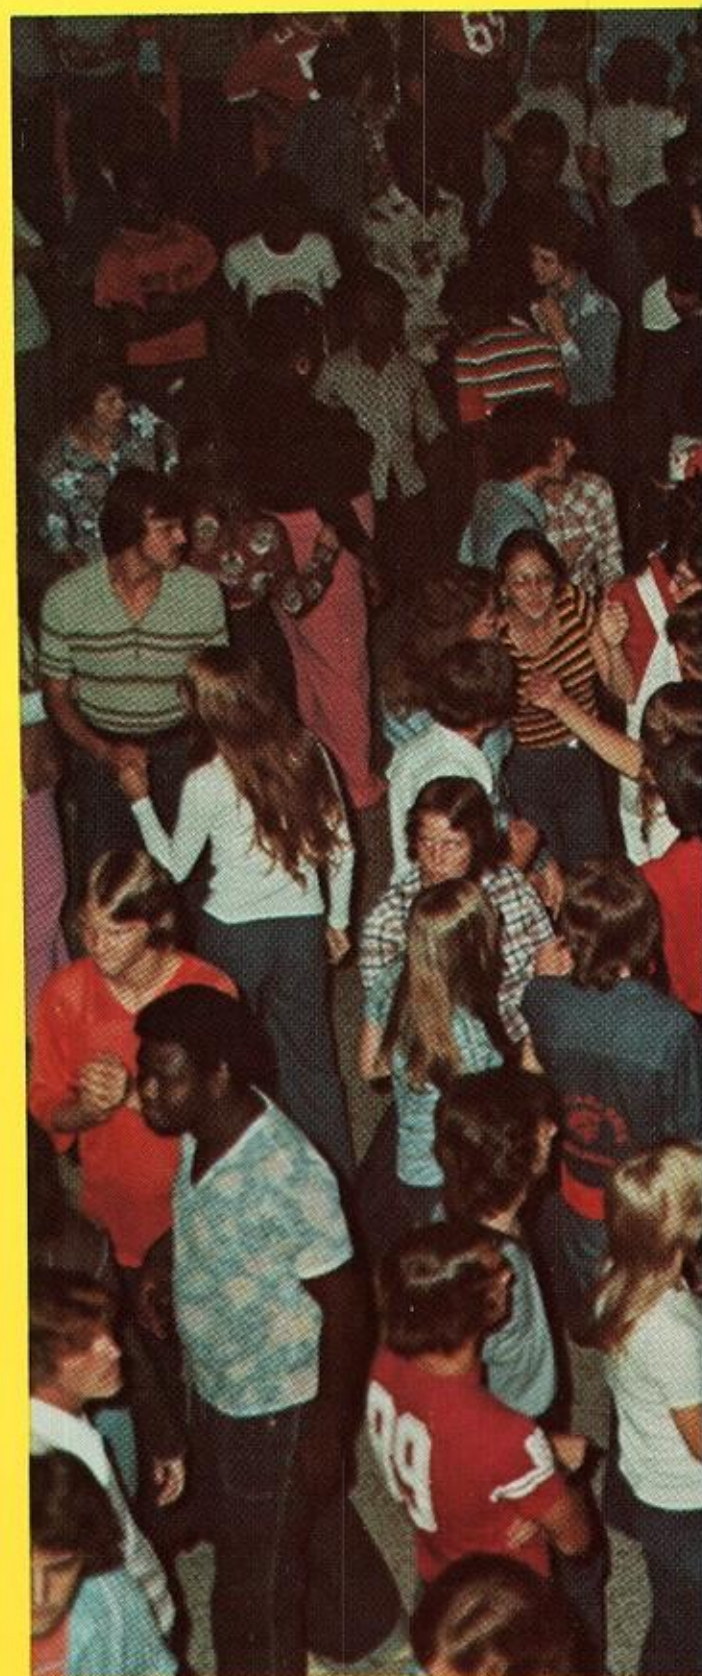

We the people

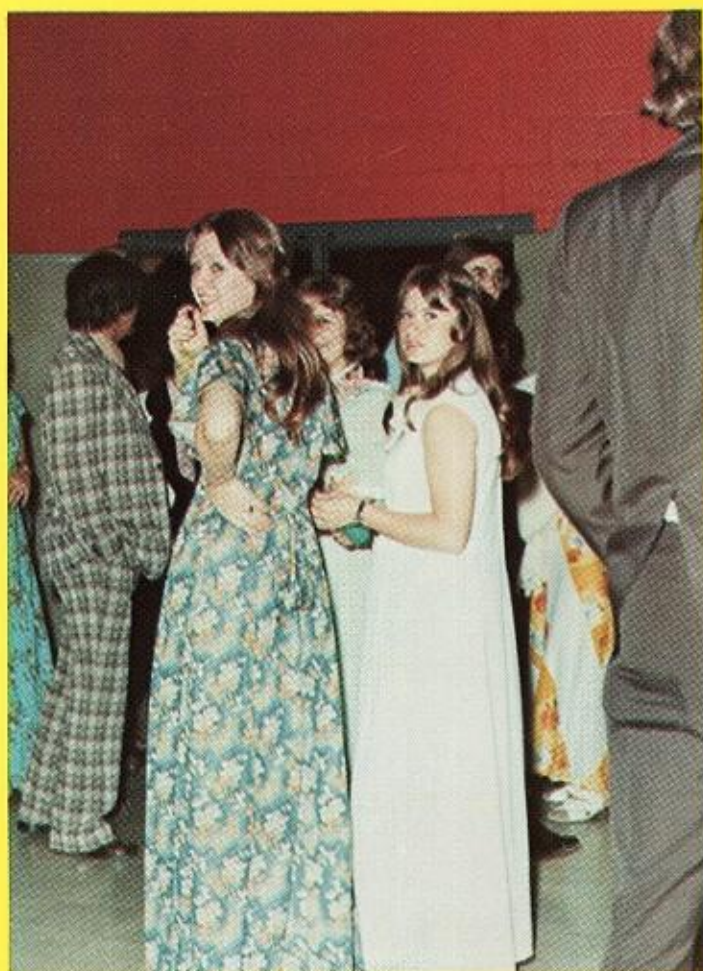

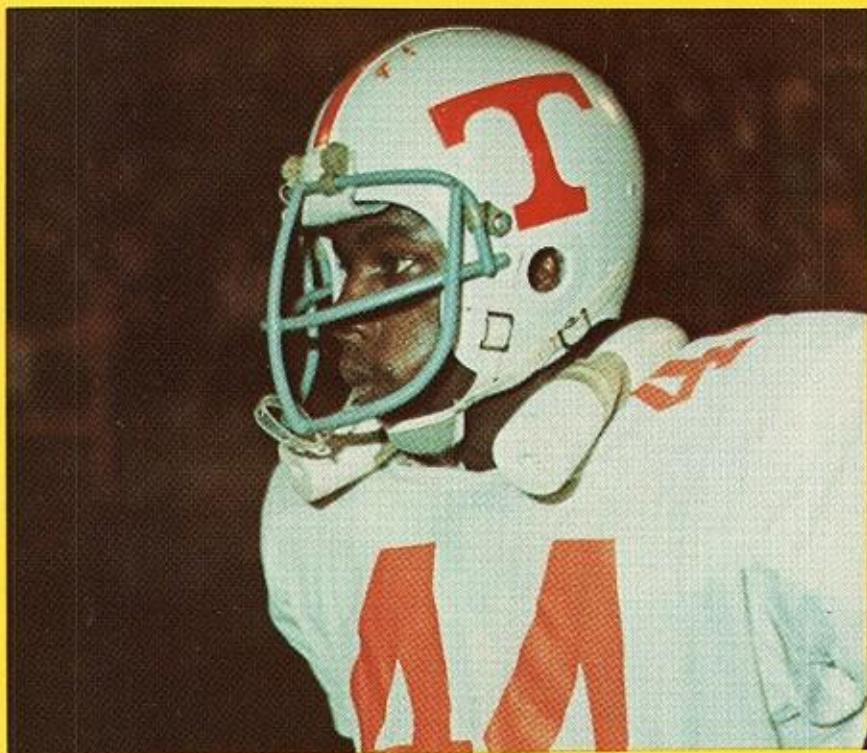

of
Northwest
Cabarrus —

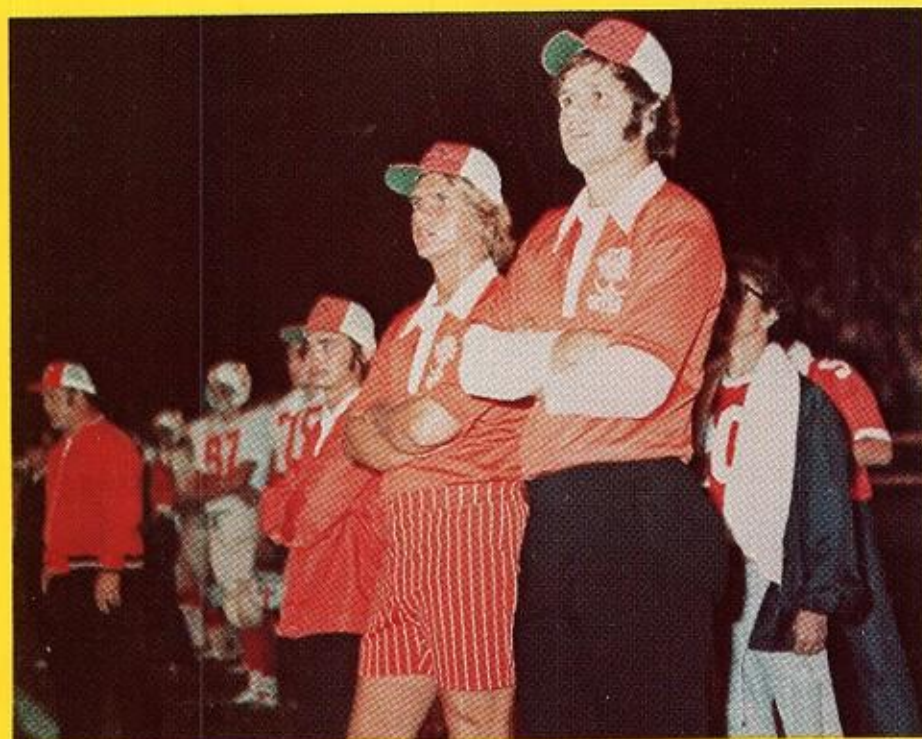

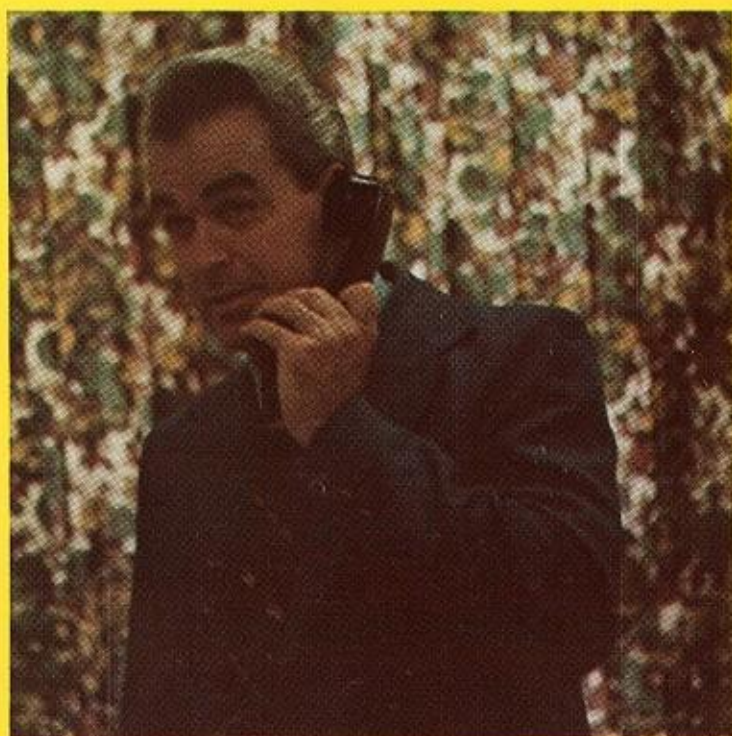

Have
Our
Visions
High-

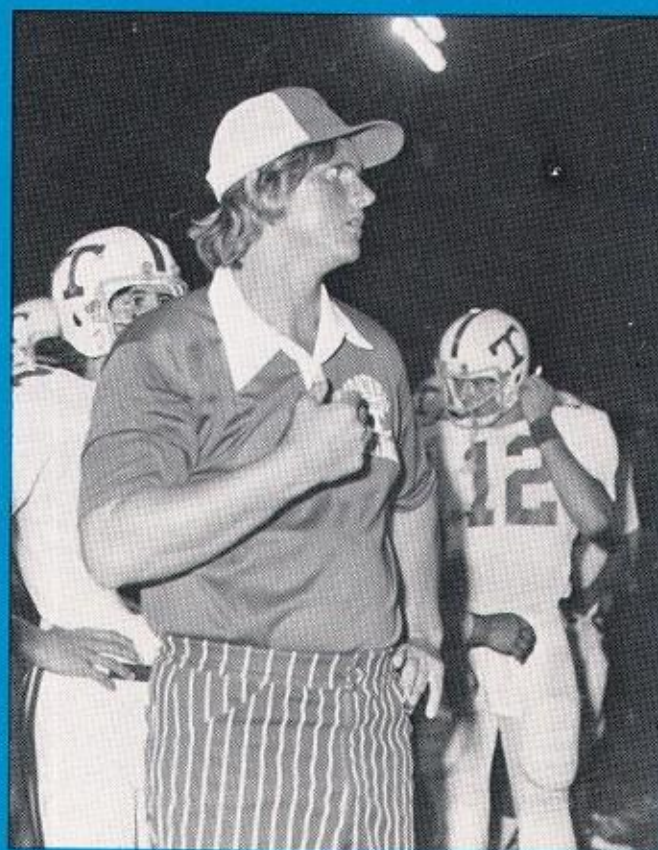

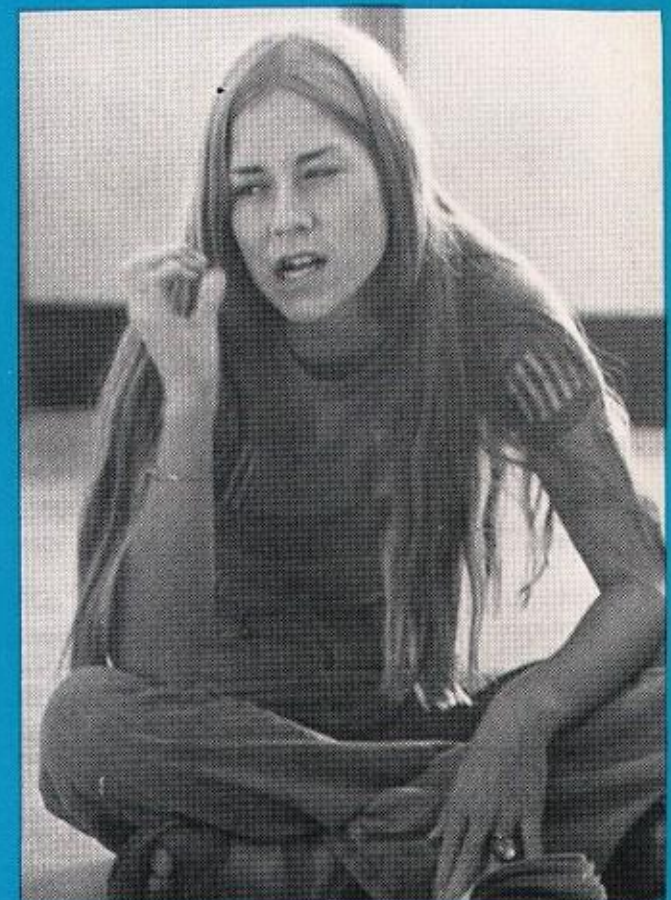

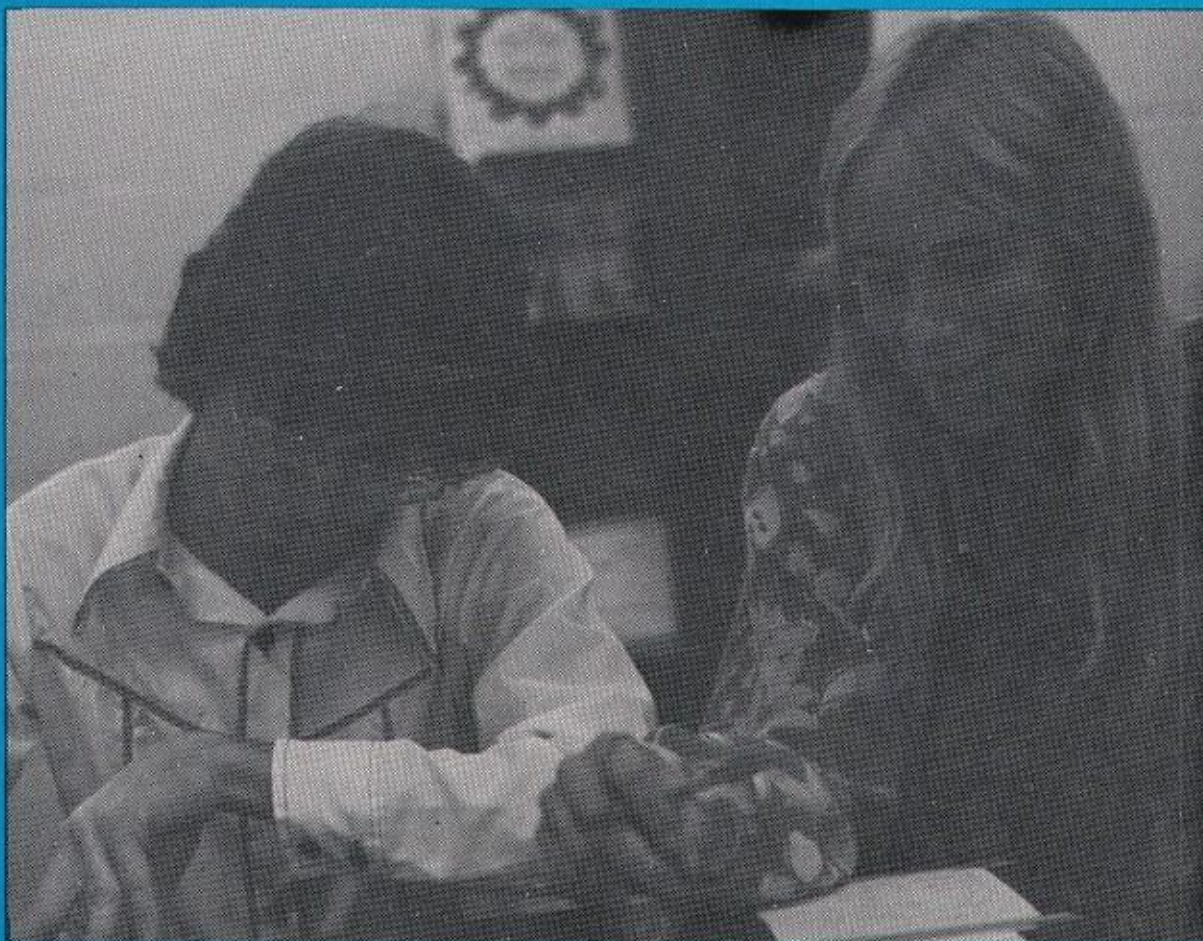

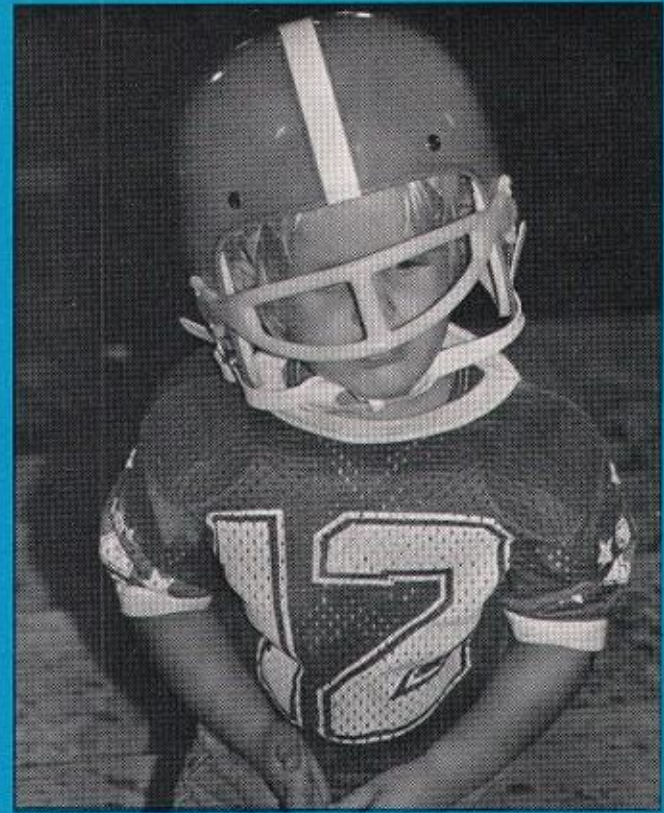

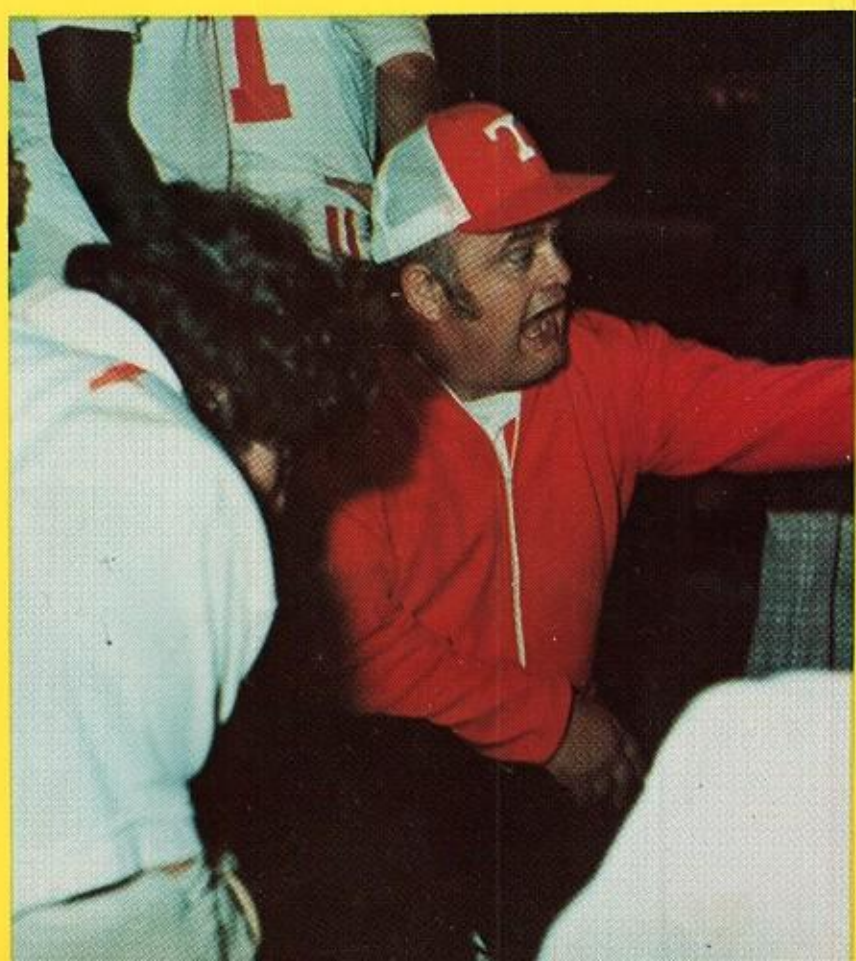

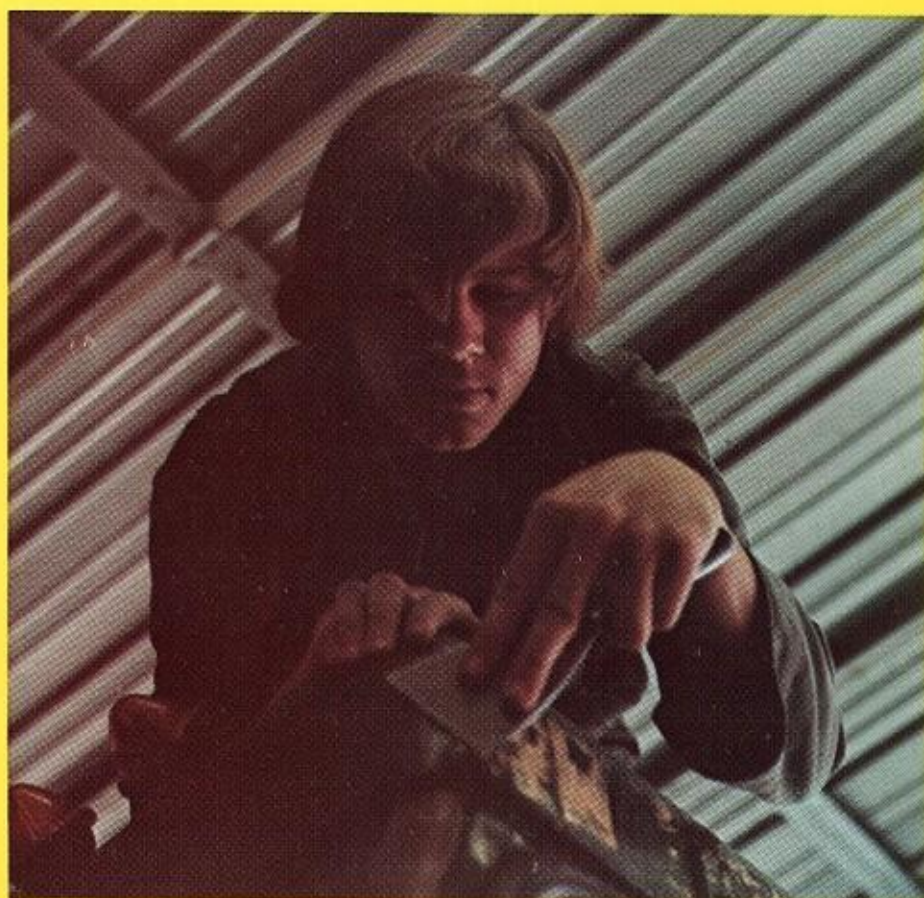

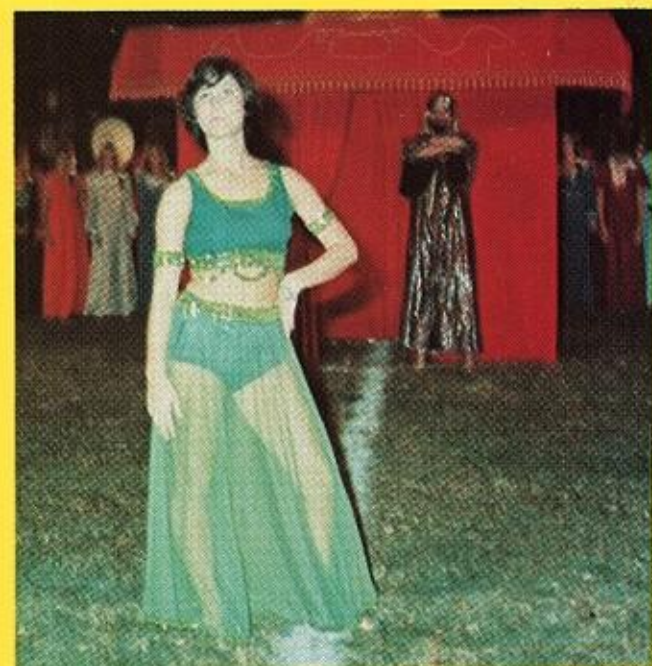

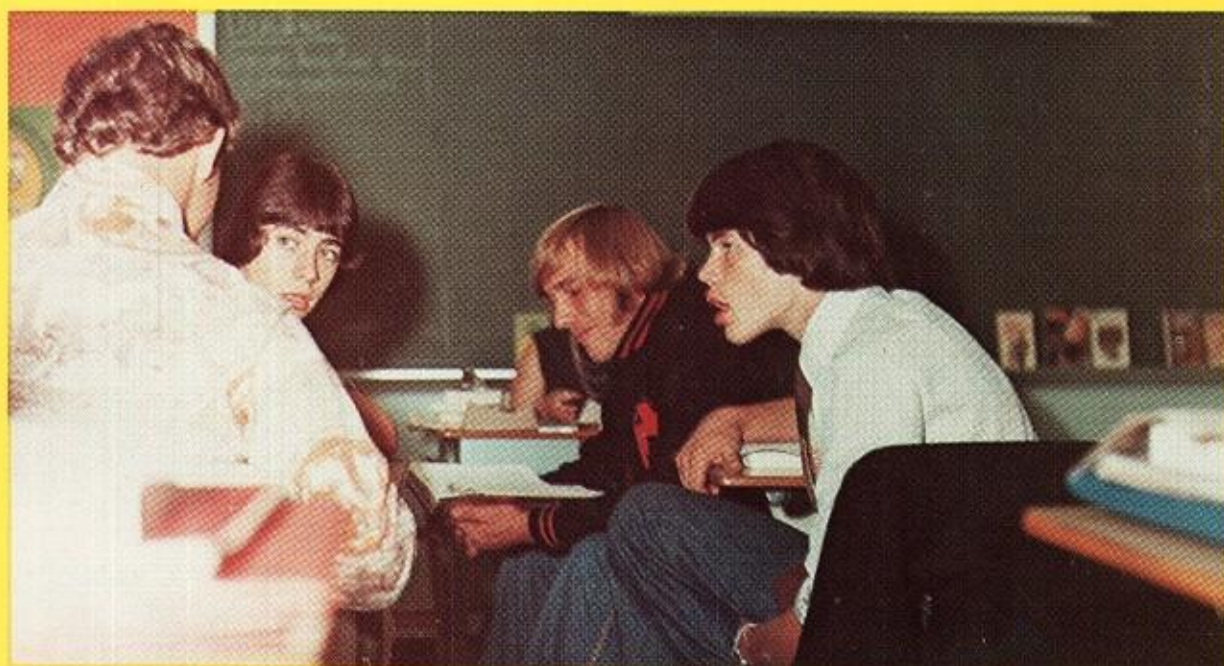

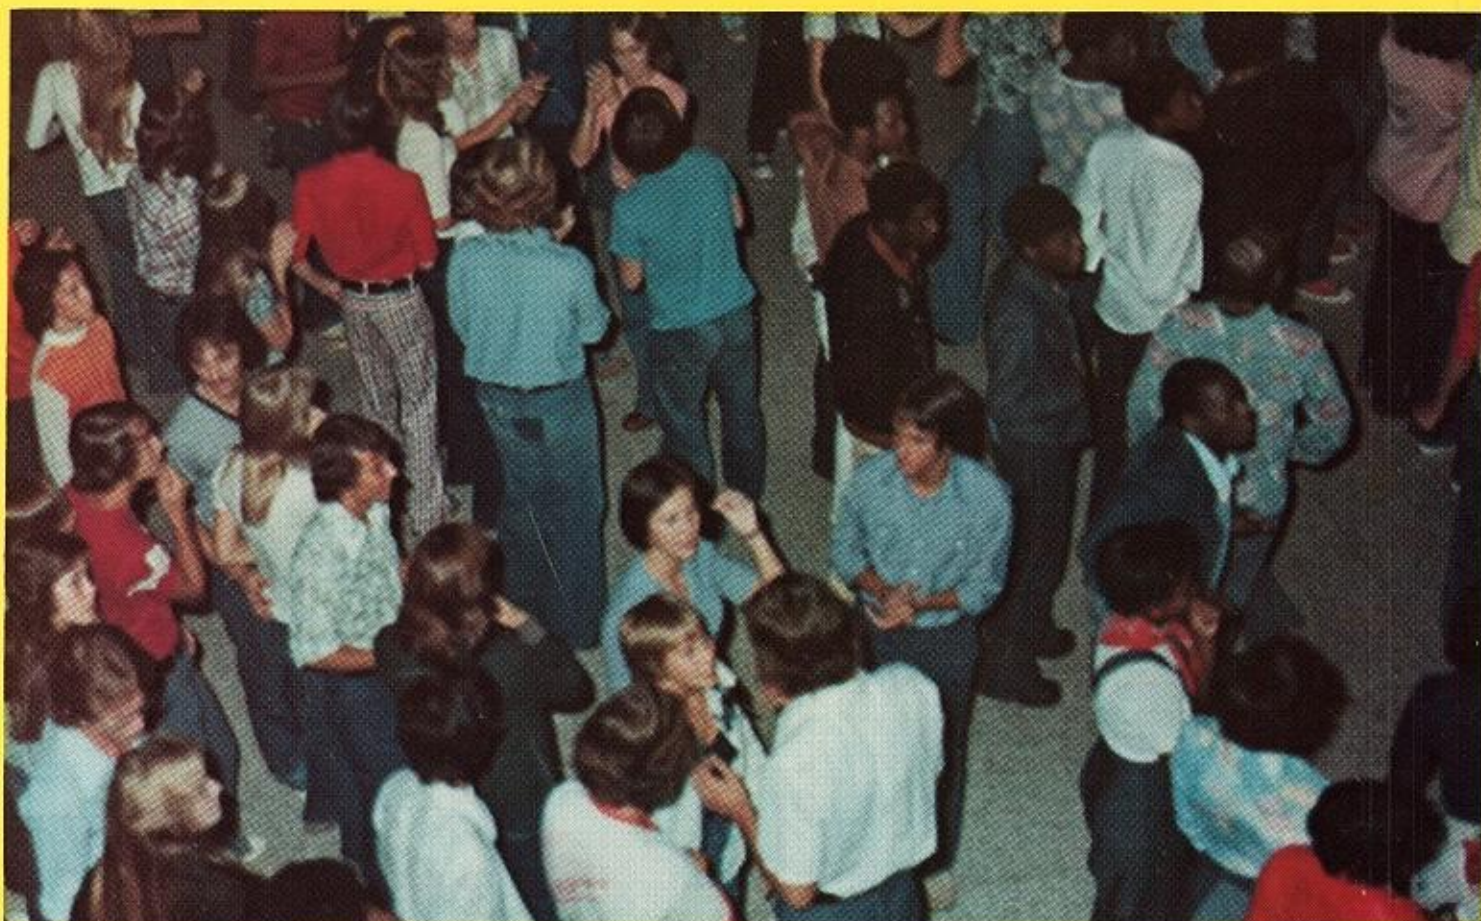

But Keep Our
Feet On
The Ground.

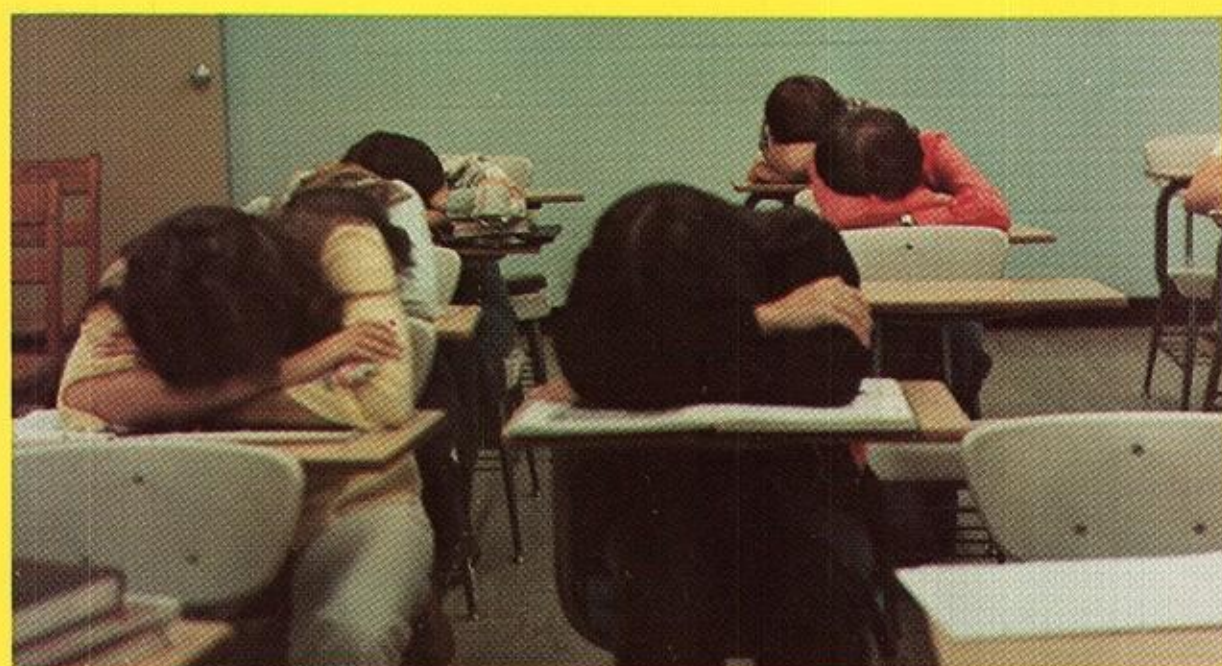

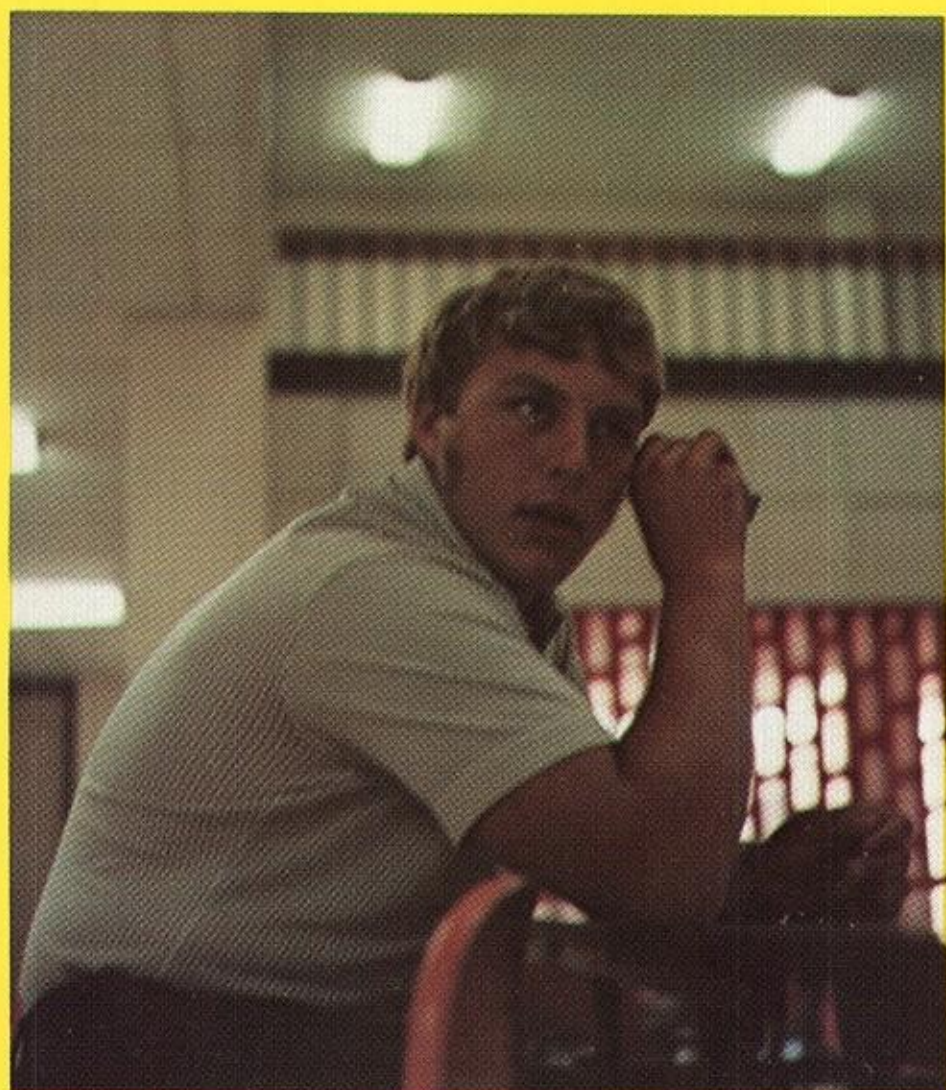

Here we
come to
realize . . .

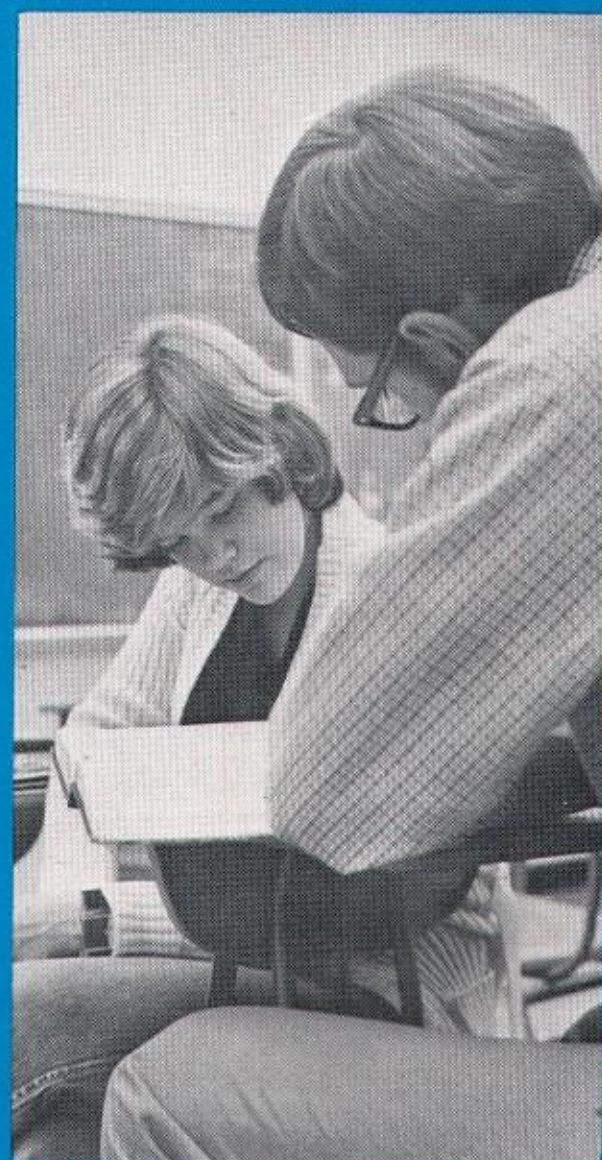

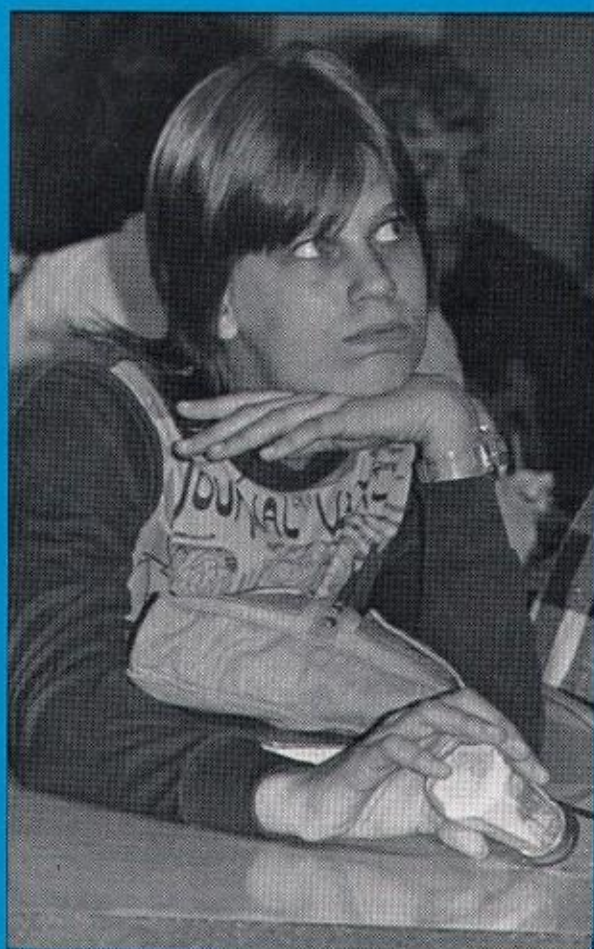

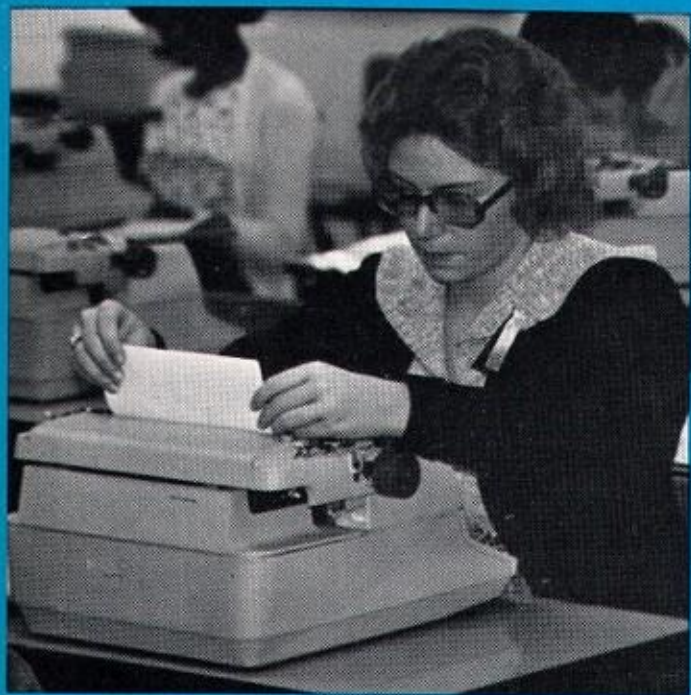

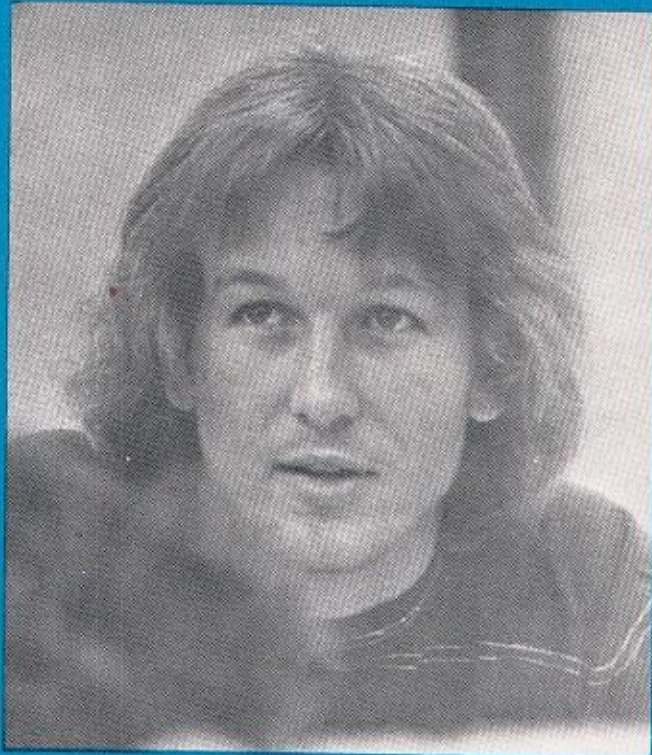

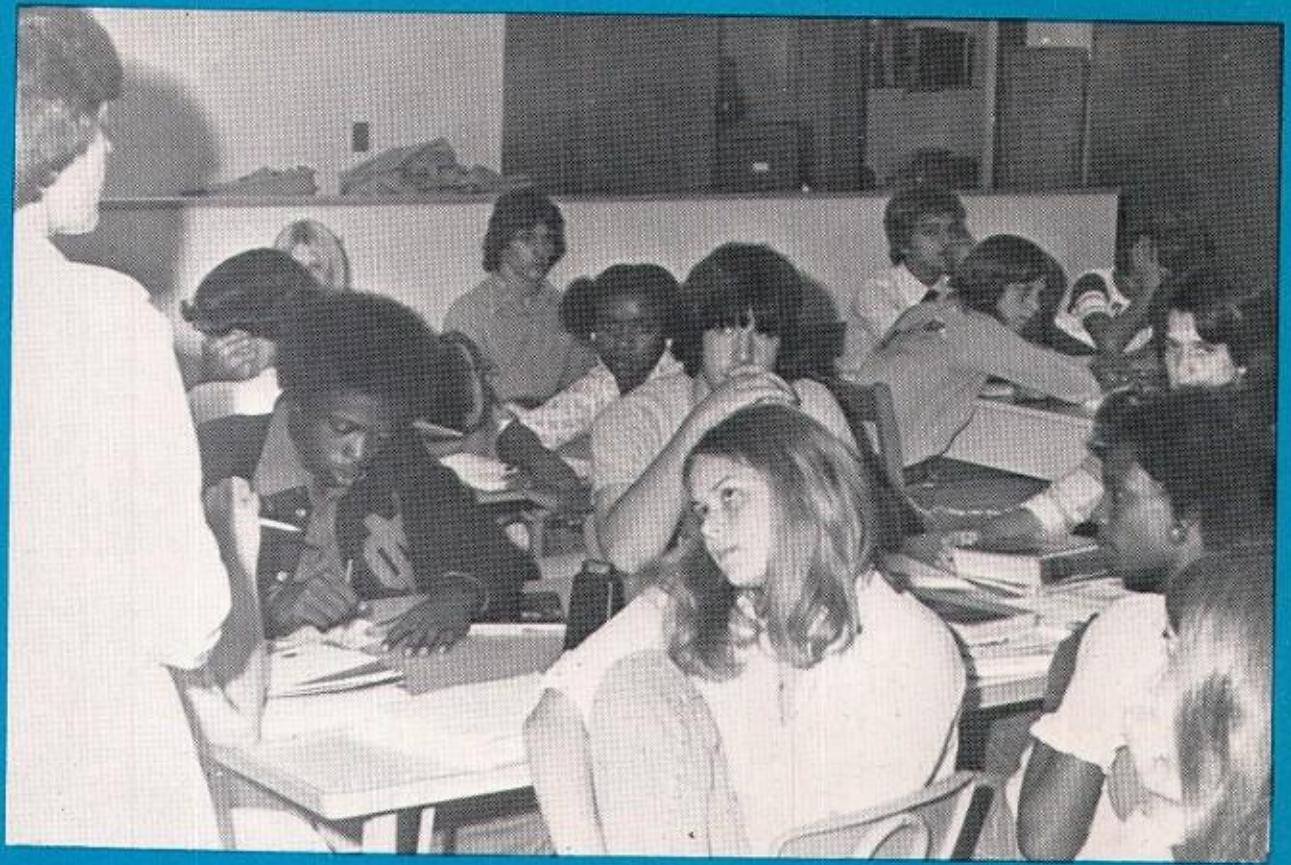

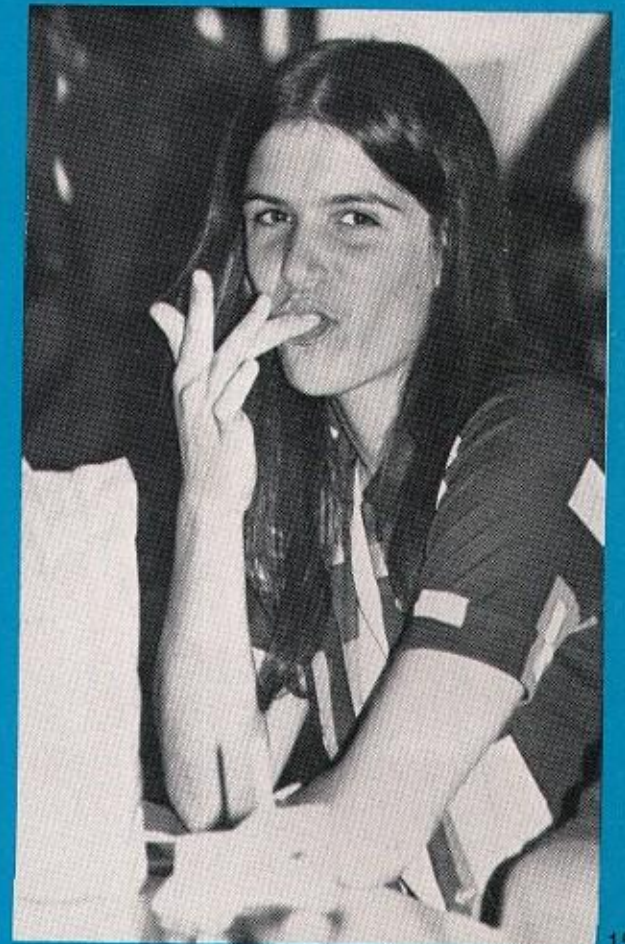

That The
Harder The
Conflict-

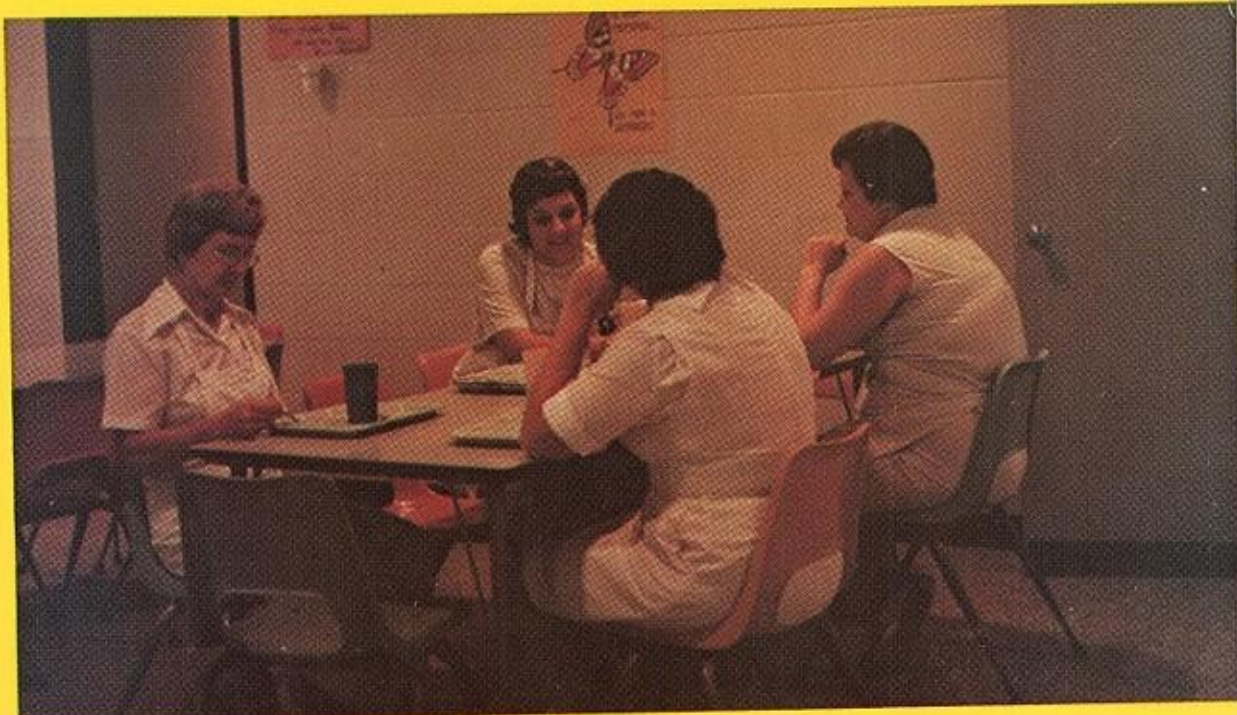

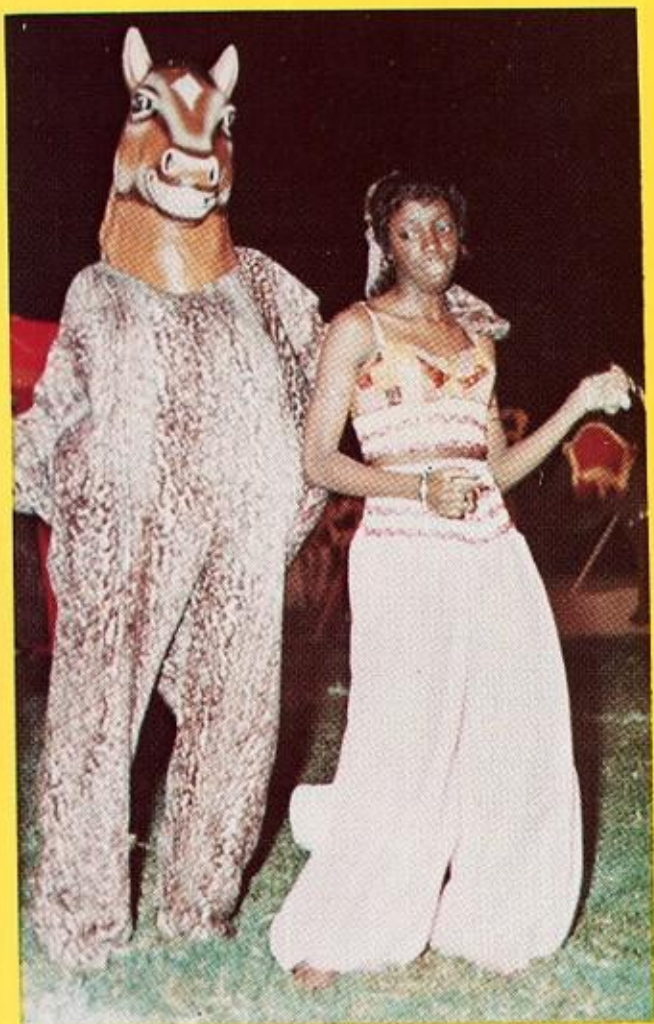

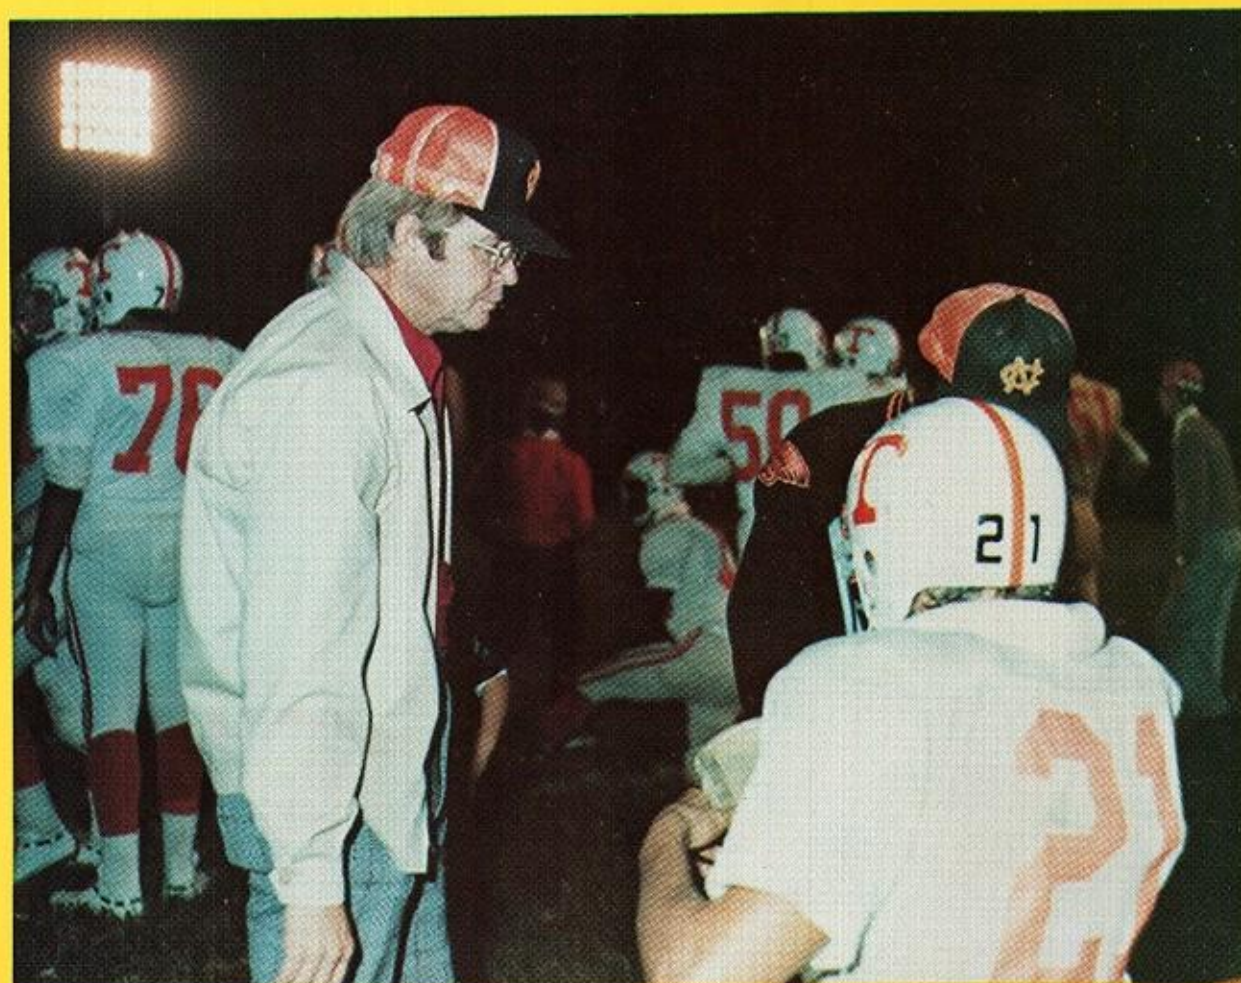

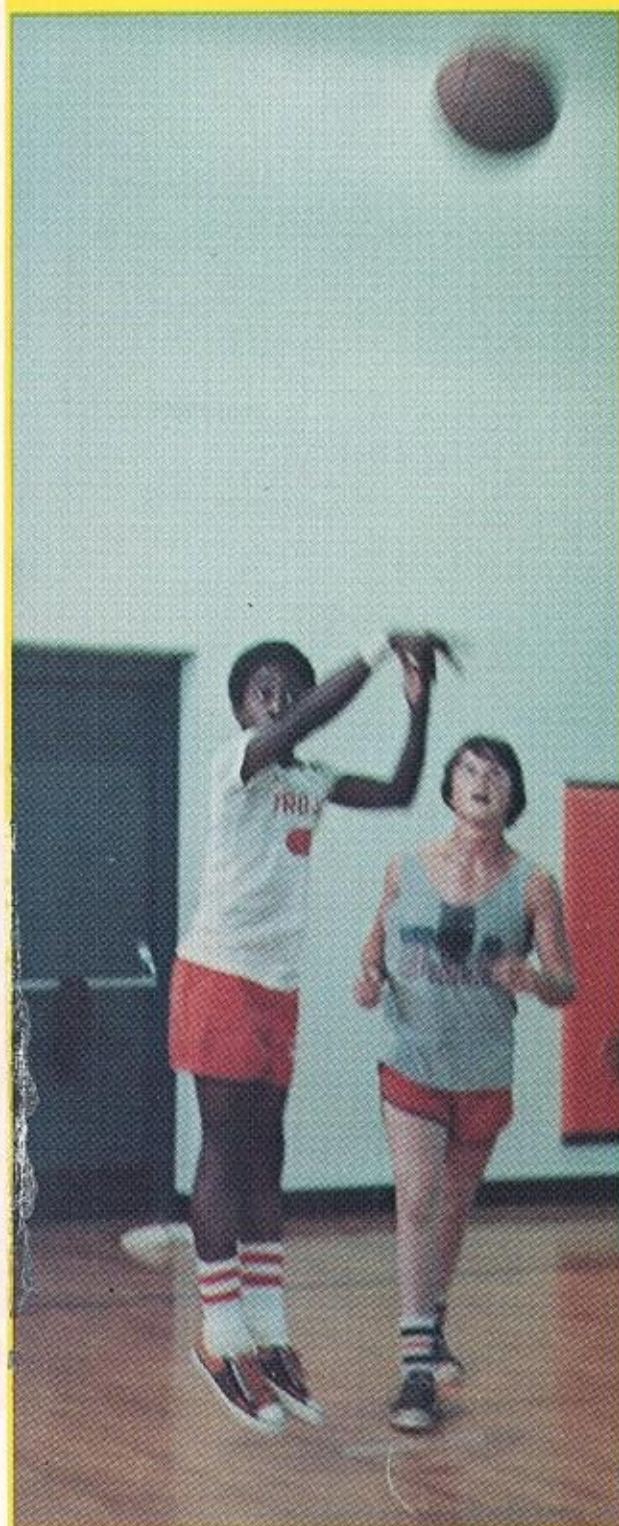

the more
glorious
the triumph.

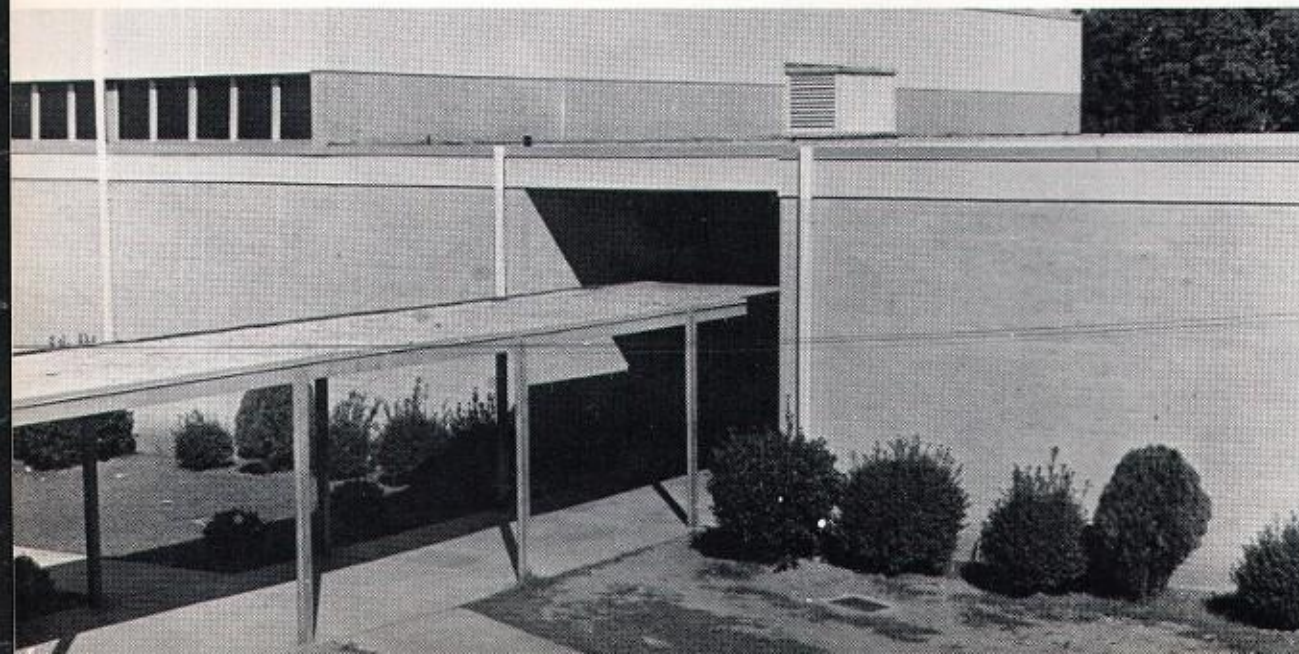

We Will Defend Her
Against All Enemies.

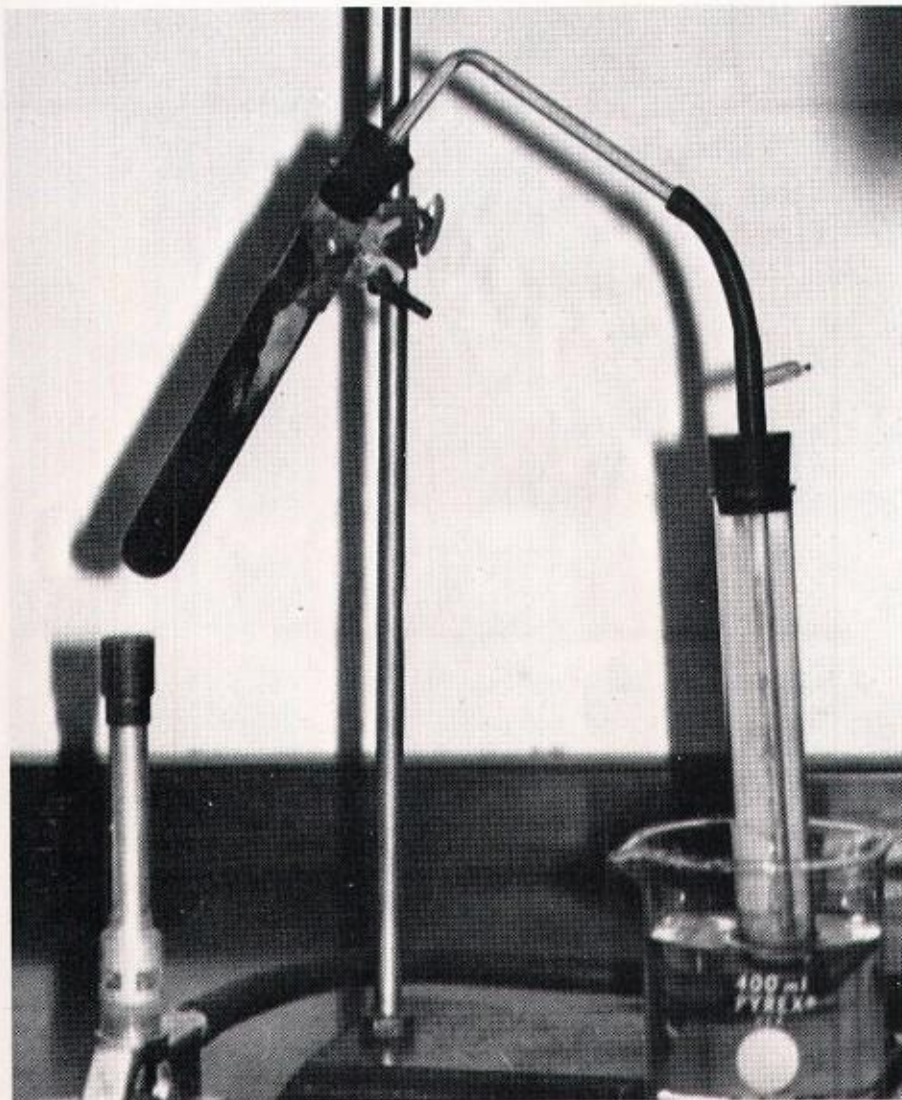

Her name shall shine

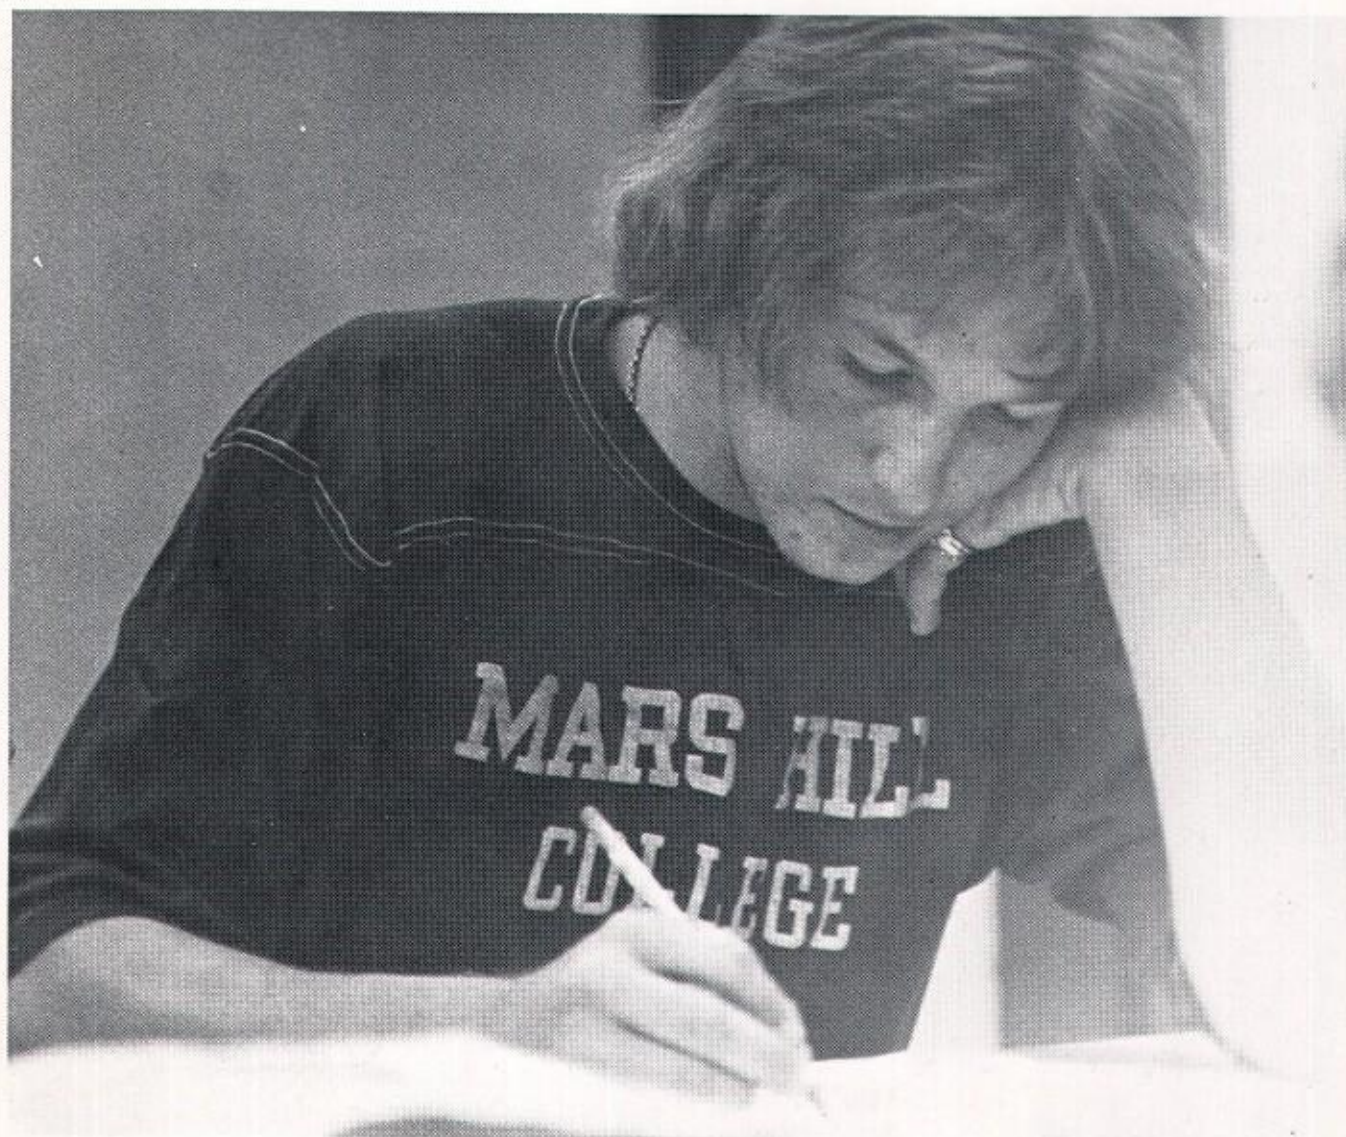

her fame will grow!

High school is the whirl of fall
leaves
swirling across a road at
twilight.
It's buying all the latest fashions,
then baby-sitting.
It's meeting friends,
watching the winning
touchdown
and experiencing
the thrill
and sweat
of a locker room
after the struggle.
High school is cramming
for an exam
that you'd rather forget.
It's a shiny bronze ring that
catches the light.
High school is growing up, and
growing up is wishing you
were young again.

Enthusiastic is the best way to describe this year's Junior class. Although the smallest class, the Juniors have possession of the spirit bell; other examples of their school spirit were a tremendously successful magazine sale and their active participation in all school activities.

Steve Holbrooks, President; Ann Castor, Vice President; Sheila Beam, Secretary; Patsy Wood, Treasurer.

The lesser of the greater evil, a sophomore in his second year at Northwest may now safely stroll the halls without fear of bodily harm. Sophomores join more clubs and activities as they feel a part of what they helped to build. A sense of pride in Northwest and a respect for the Trojan tradition is fully developed in the sophomore year.

Class Of '79

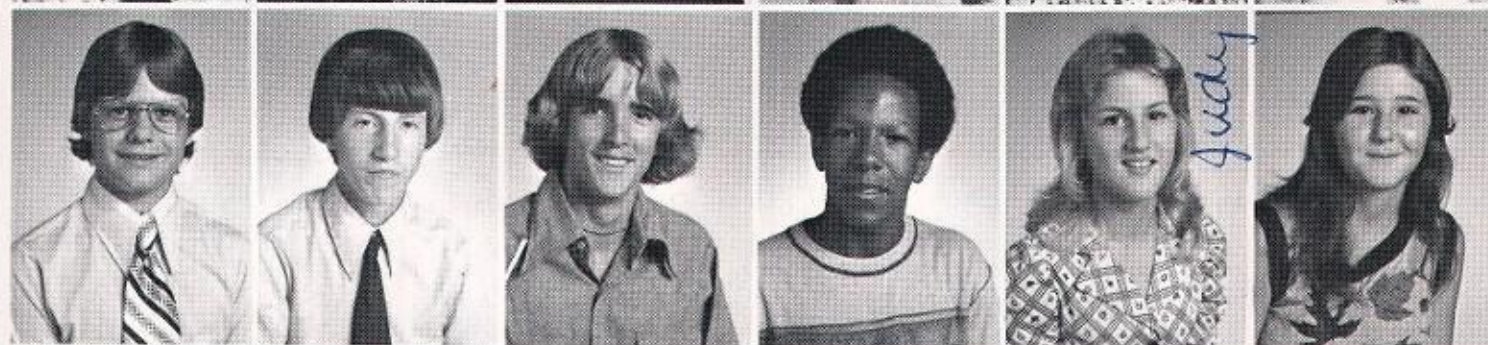

Karen Robinson, Vice President; Chris Shores, President; Robin Whitley, Secretary; Lou Ann Perry, Treasurer.

A displaced belt, pants rolled above the knee, or a pair of musty socks around the neck—a freshman is easy to spot. The lingering feeling of being an outsider seems to fade in the spirit of becoming a Trojan. Freshman's overwhelming eagerness to support Northwest benefits all Trojans. Although harrassed and ridiculed by upperclassmen, the freshman class has become a vital part of Northwest.

Friendliest

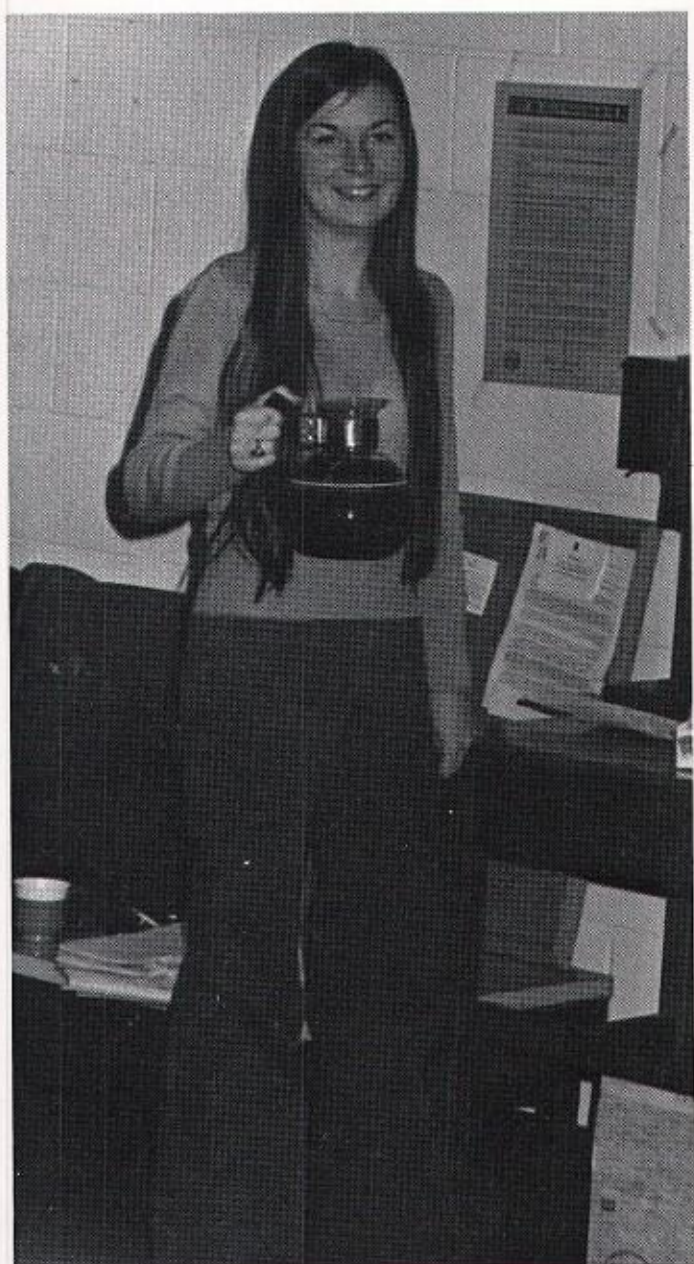

Innocents Abroad

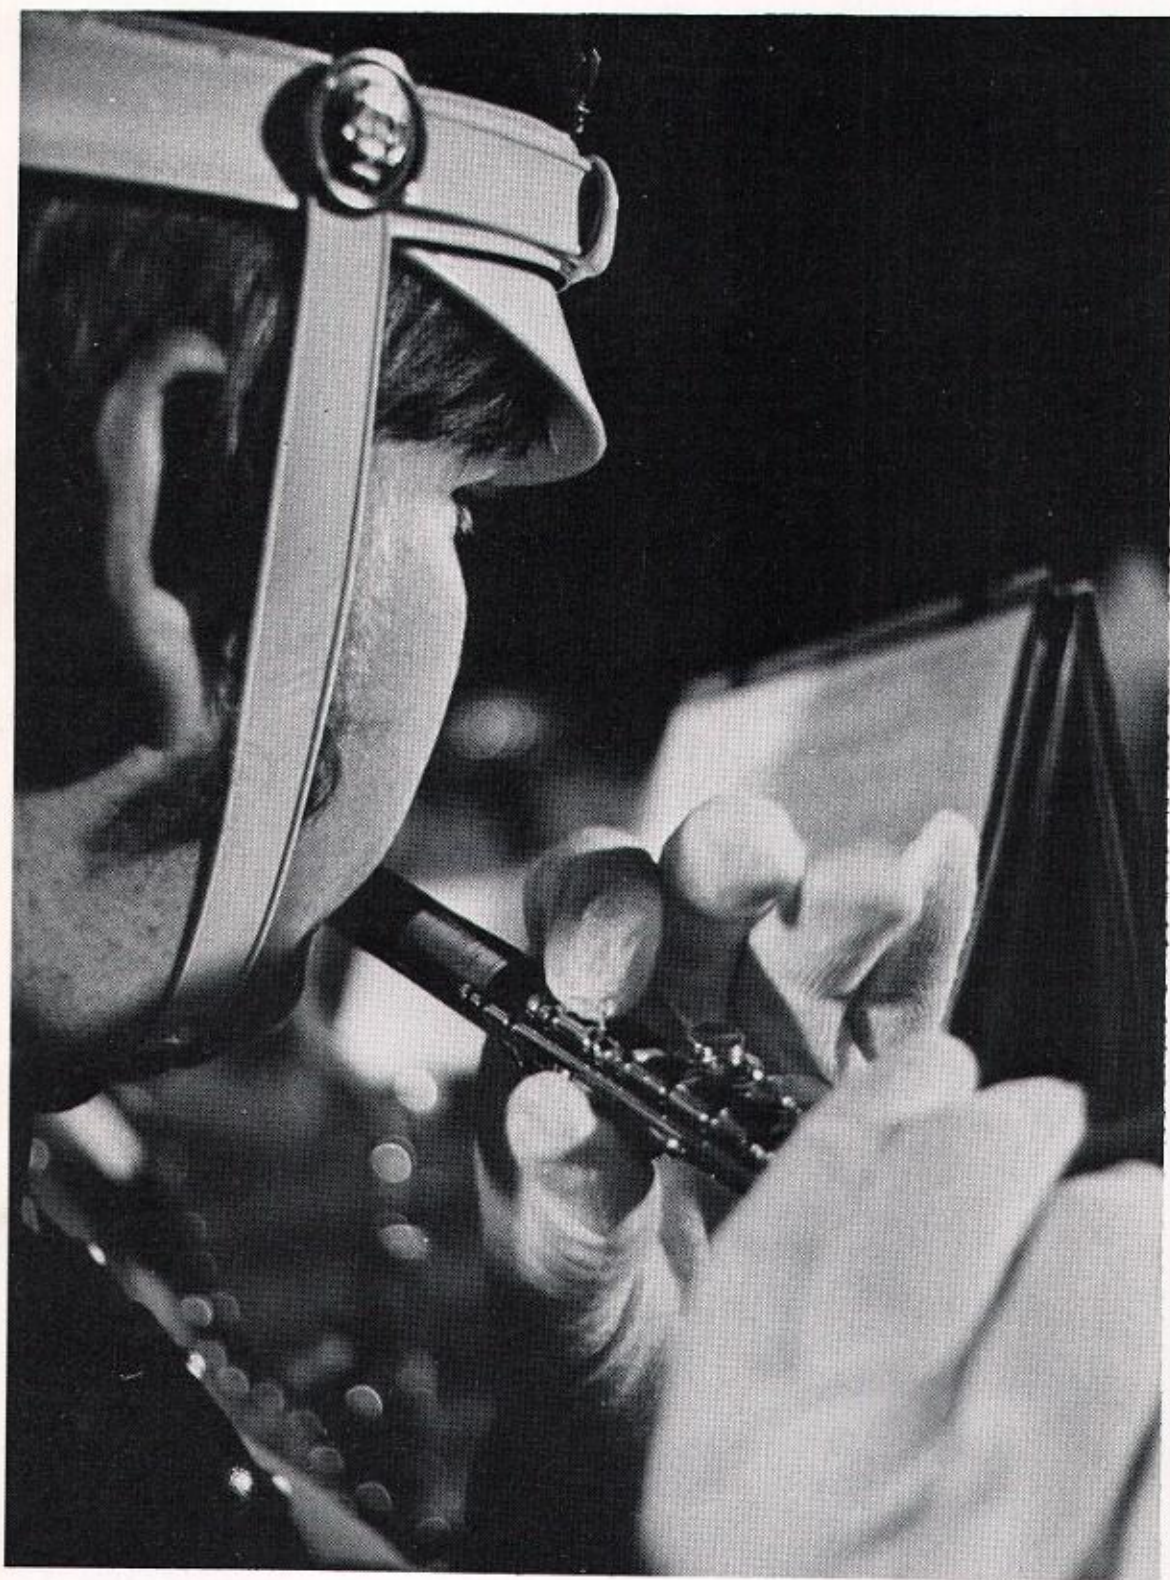

Two Northwest students were fortunate enough to be able to widen their travel experiences in Europe and South America this past summer.

Gigi Gulledge, a member of International Fellowship, Inc., lived with a family of seven in Caracas, Venezuela, during July and August. Gigi said that her biggest difficulty was in communicating since she knew no Spanish, and they, very little English. Another problem was that no previous Northwest student had ever been an exchangee, and Gigi had no idea of what was expected of her. Highlighting her trip were visits to bullfights, serving as maid of honor in a real Spanish wedding, and a celebrity guest appearance on a local rock musical T.V. program. Gigi took a little of Northwest with her to Caracas, as she was the very first person to roll a Venezuelan yard. Commenting on her trip, Gigi said that it was an unforgettable experience, but she was glad to get home in time for the first football game this fall.

Beth Miller, the lone Northwest representative, accompanied a group from Concord Senior High to France in June and July. Beth, a typical tourist, got lost on the Paris subway and was rescued by a nice French gentleman who was selling flowers. Among her fondest memories was the French rock concert in Nice, where she stayed in the former palace of a Russian czar. Beth's most daring escapade was a skylift ride to the top of Mont Blanc, the highest peak in the French Alps. Asked about her favorite place, Beth replied that she fell in love with the French Riviera, but was scared to death at Saint-Malo, a real ghost town. Though Beth enjoyed her trip, she emphasized that America was truly beautiful.

Northwest Varsity Football Team

Drive and determination were the essence of the 1975 Northwest Trojan football team. Time and again with grim defeat staring them in the face they came through—with a critical first down, a vital extra point conversion, an intercepted pass, a fumble recovery, or a game-saving tackle. With great heart and gallant spirit the Trojans took the game to the enemy, displaying much innate ability, highly-developed skill, heart-warming comradeship, and sheer old-fashioned guts—truly, a team Northwest can remember with pride.

Under the guidance of Head Coach Arden Ray, ably assisted by Johnny Harward, Dennis Shinn and Jim Blair, the Northwest Trojans began a long, grueling season with many days of hard work to prepare for their opening August 29.

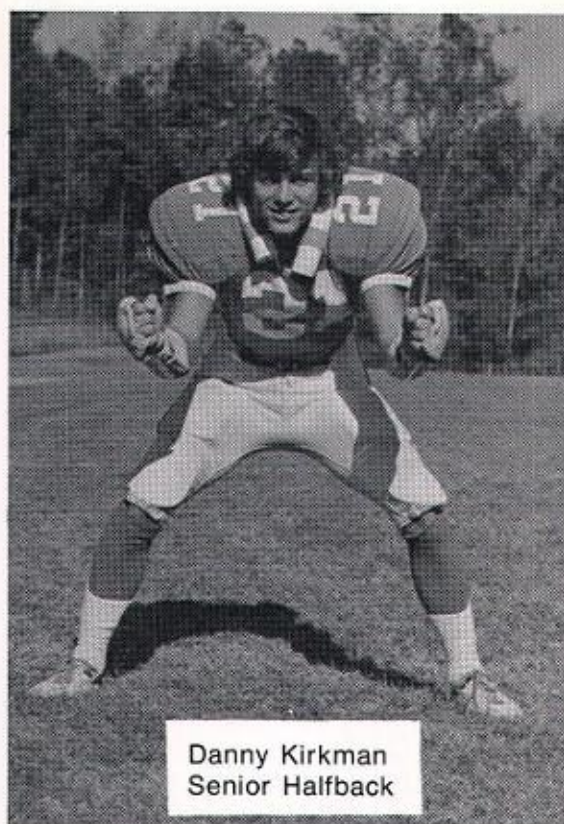

The highlights of the year were victories over Kannapolis and Central Cabarrus, intense inter-county rivals.

Coach Ray:

A Great Man

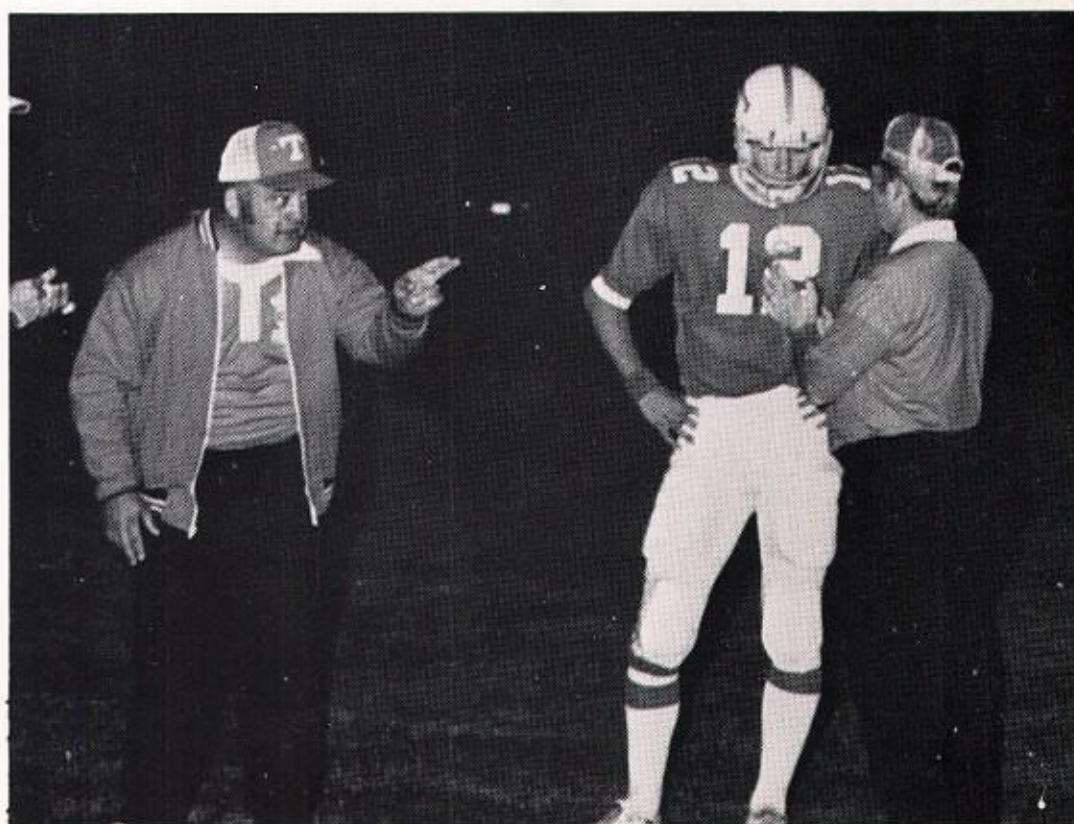

Teams come and go at Northwest, fading into vague memories, but Coach Arden Ray will never be forgotten for his contributions to Trojan football. It is not often that a student body has such an opportunity to express its appreciation to a teacher and coach for a job well-done.

Coach Ray is a man who, if given thirty men, would make an army to be feared. In seven years at Northwest he won forty-nine games, averaging seven wins a season, quite an enviable record as head coach. To you, Coach Ray, we say "Thanks."

Northwest Acquires A New Sport. . .

Unfortunately, high school wrestling has not always received the recognition due such an exciting and complex sport. However, the situation is changing, and Northwest Cabarrus' wrestling team is doing all it can to promote interest in the sport; we can be especially proud of our young, inspired grapplers. These young men have earned the respect and admiration of the student body through their hard work and fine performances.

With some tough juniors returning plus good sophomores and freshmen moving up, the Trojan wrestlers are definitely to be reckoned with next year.

1975-'76 Varsity Girls Basketball

The 1975-76 team proved that they were the best by winning the Rocky River Tournament. The team had an outstanding record of 17-4 with losses to Central Cabarrus, Charlotte Catholic and Monroe twice.

The girls, averaging 47.5 points per game during the season and holding their opponents to an average of 39.6 points, kept their average close when they beat Central Cabarrus in the Tournament 49-40. The girls were led by high rebounding Gwen Caldwell and top scorers Henrietta Morrison, Sharon Caldwell, Altavia Conner, and Stephanie Walker.

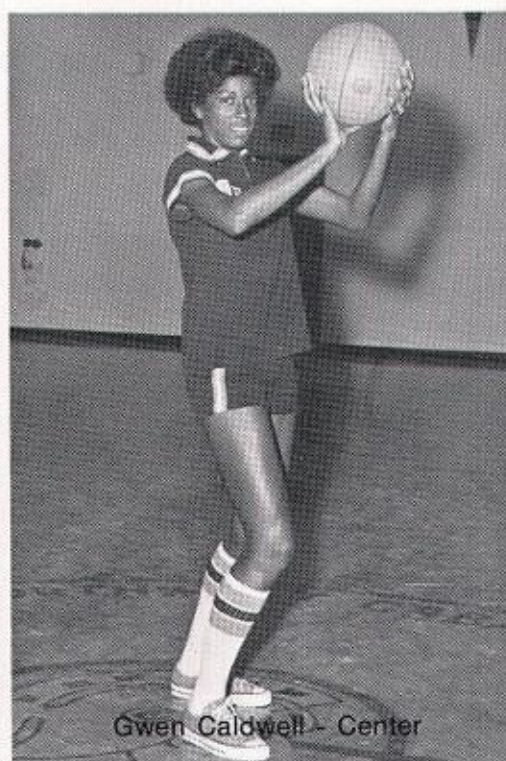

With only four seniors on the team Coach Edwards will be looking forward to next year and hopefully another R.R.C. championship. Congratulations, Ladies of Troy!

Junior Varsity Girls' Basketball

Displaying fine basketball ability the Junior Varsity girls enjoyed one of their best seasons. Coached by Ms. Edith Smith and led by Captain Sandra Ford, the junior Ladies of Troy, although at times with a height disadvantage, played scrappy, aggressive basketball to defeat many taller teams. We salute Coach Smith and the girls for a fine championship season.

Varsity Baseball

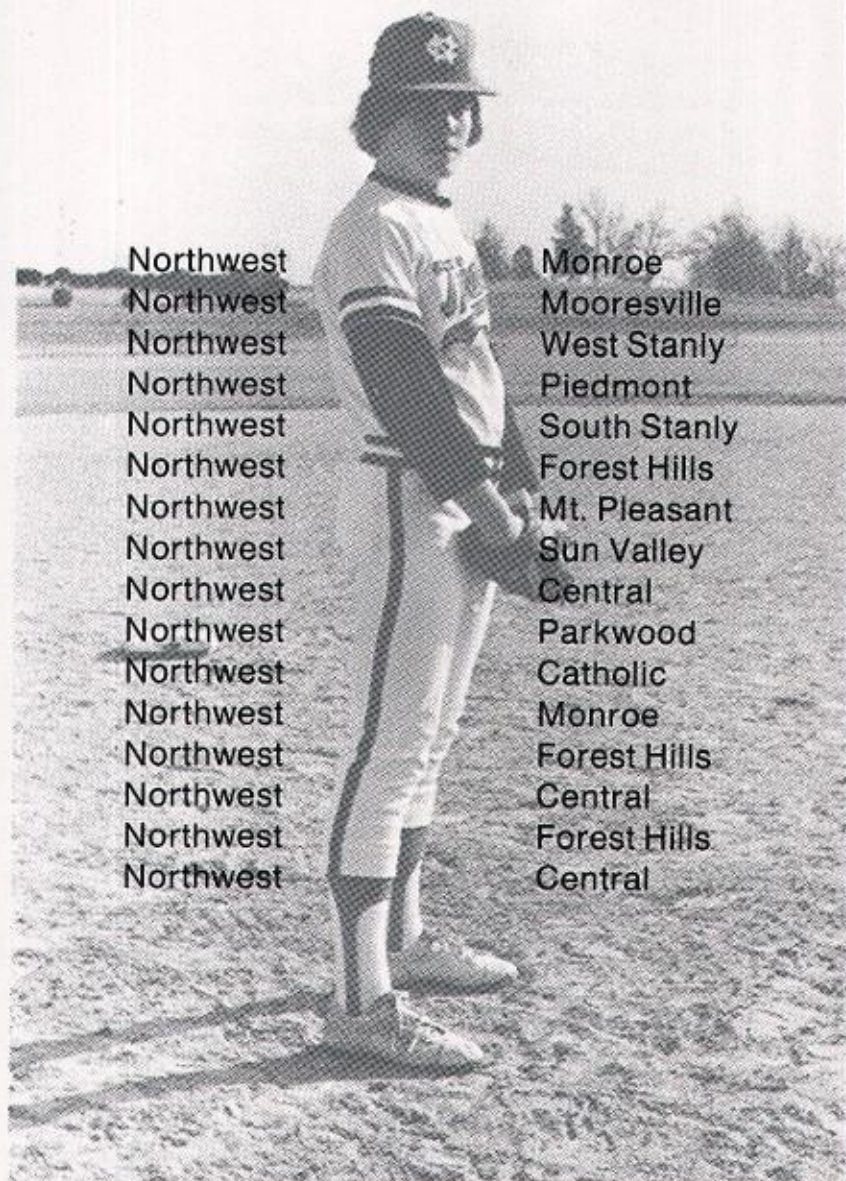

Providing sports thrills during the Spring at Northwest is the baseball team. Many of the slugging Trojans returned in hope of making this coming season the biggest and the best. Coach Bernie Edwards has done an outstanding job coaching these young men. A coach such as he makes any player proud to be on the team. Many students were on hand to see the Trojans slide to victory. The addition of these boys to varsity standing will fill gaps not only in the starting nine but also in the all important bench. We are sure these young men will bring home many victories. As students of Northwest Cabarrus High School we are proud to stand behind our team.

Memo: To Future Historians

These unique Cannon washcloths were *not* woven in 1776. If you discover one some generation hence, please be informed the washcloths were designed by Cannon artisans and woven by Cannon master weavers to help celebrate the Bicentennial year 1975-76. The huge Draper shuttleless terry Jacquard loom shown above weaves these products in full color before your eyes each day, Monday-Friday, at the Cannon Visitor Center, Kannapolis, N. C. There are about 50 other educational exhibits. Open year-round.

Cannon has been a part of American history for the past 88 years. A home-grown textile pioneer and

industrial leader of the South, Cannon is today recognized for many accomplishments. Innovative textile technology. Market-oriented product research and development. Fashion leadership in home textiles. Outstanding employee safety and health programs. Strong emphasis on environmental quality. Public responsibility as a good corporate citizen. Cannon people are the "pros" in all the skills and talents necessary to operate this modern textile company. There are many career opportunities for ambitious young people looking for a challenge. Cannon Mills is, of course, an Equal Opportunity Employer.

GRADUATE: IF YOU'RE WONDERING...

You have a tough choice. Picking a career with a good future — with free training — from one of over 400 jobs. Deciding where to go free during your 30 days paid vacation the first year. Knowing that all your medical/dental expenses are taken care of, and that your food, housing and clothing are free. Taking responsibility immediately after training in one of many locations around the world. Yes, it's a tough choice. You'll love every minute of it.

For yesterday is already a dream,

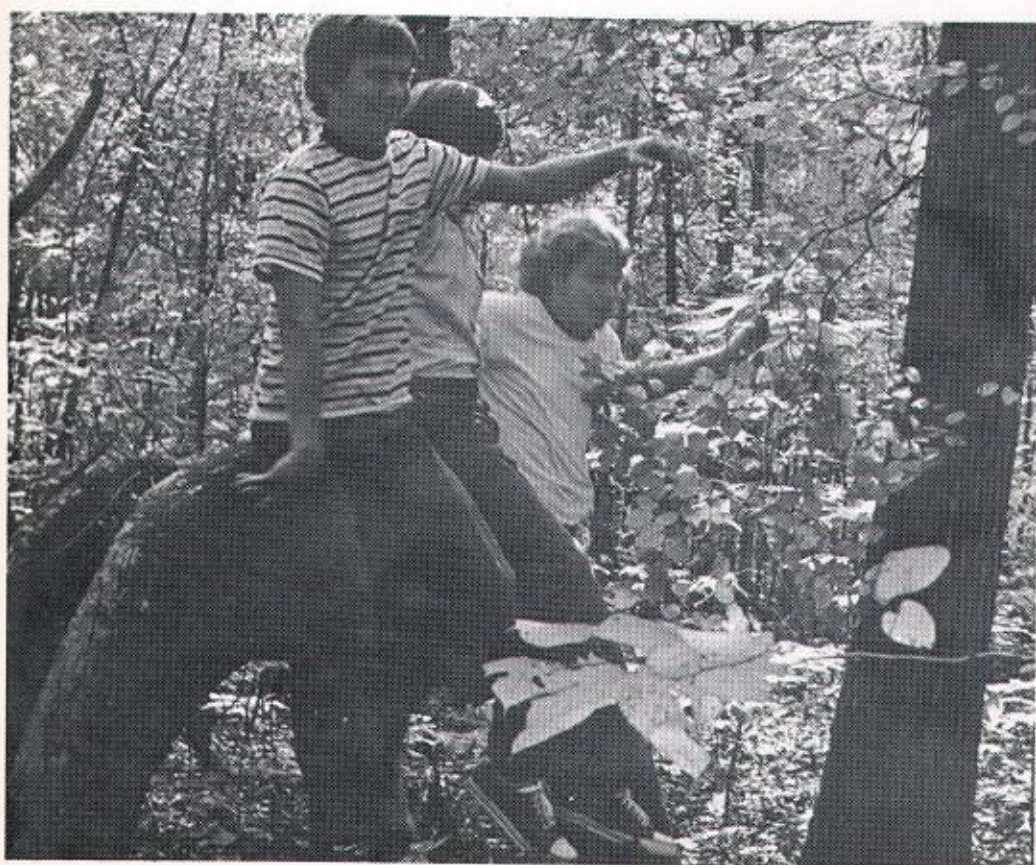

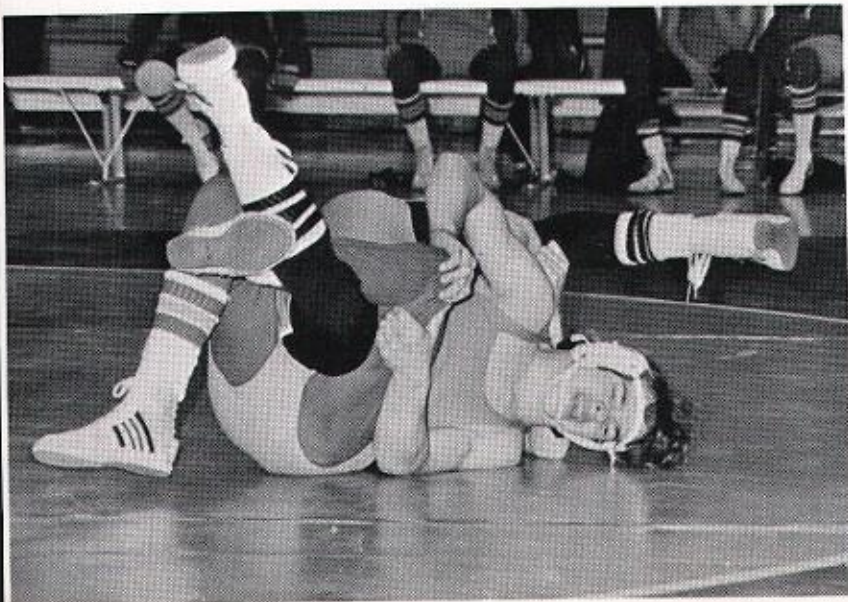

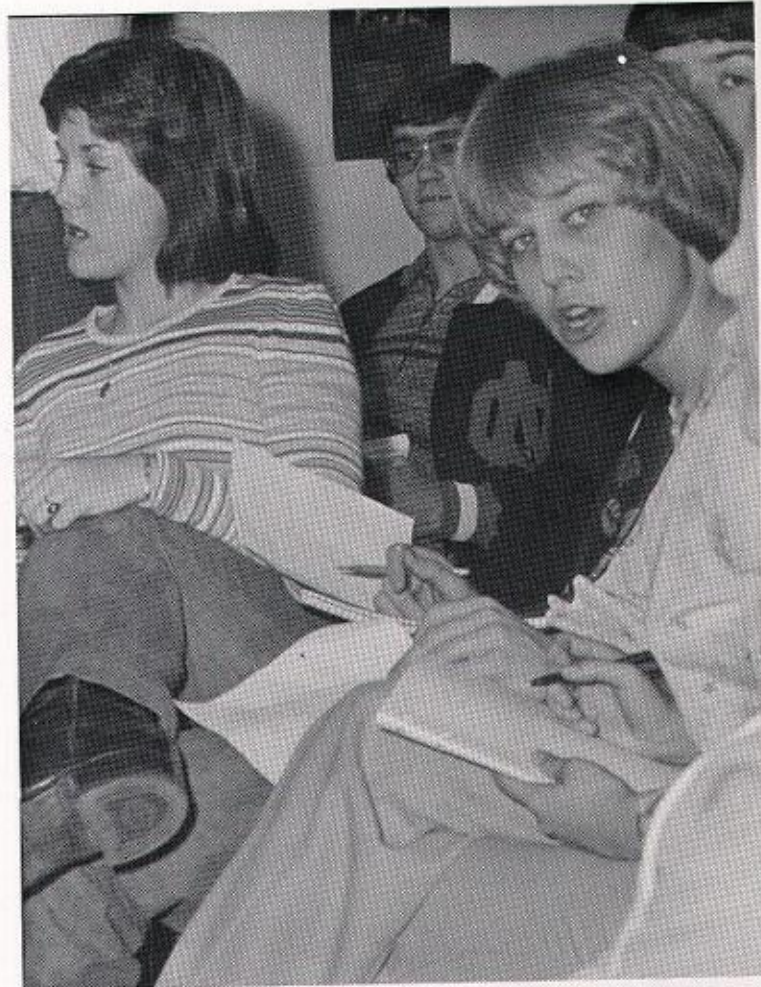

and tomorrow only a vision;

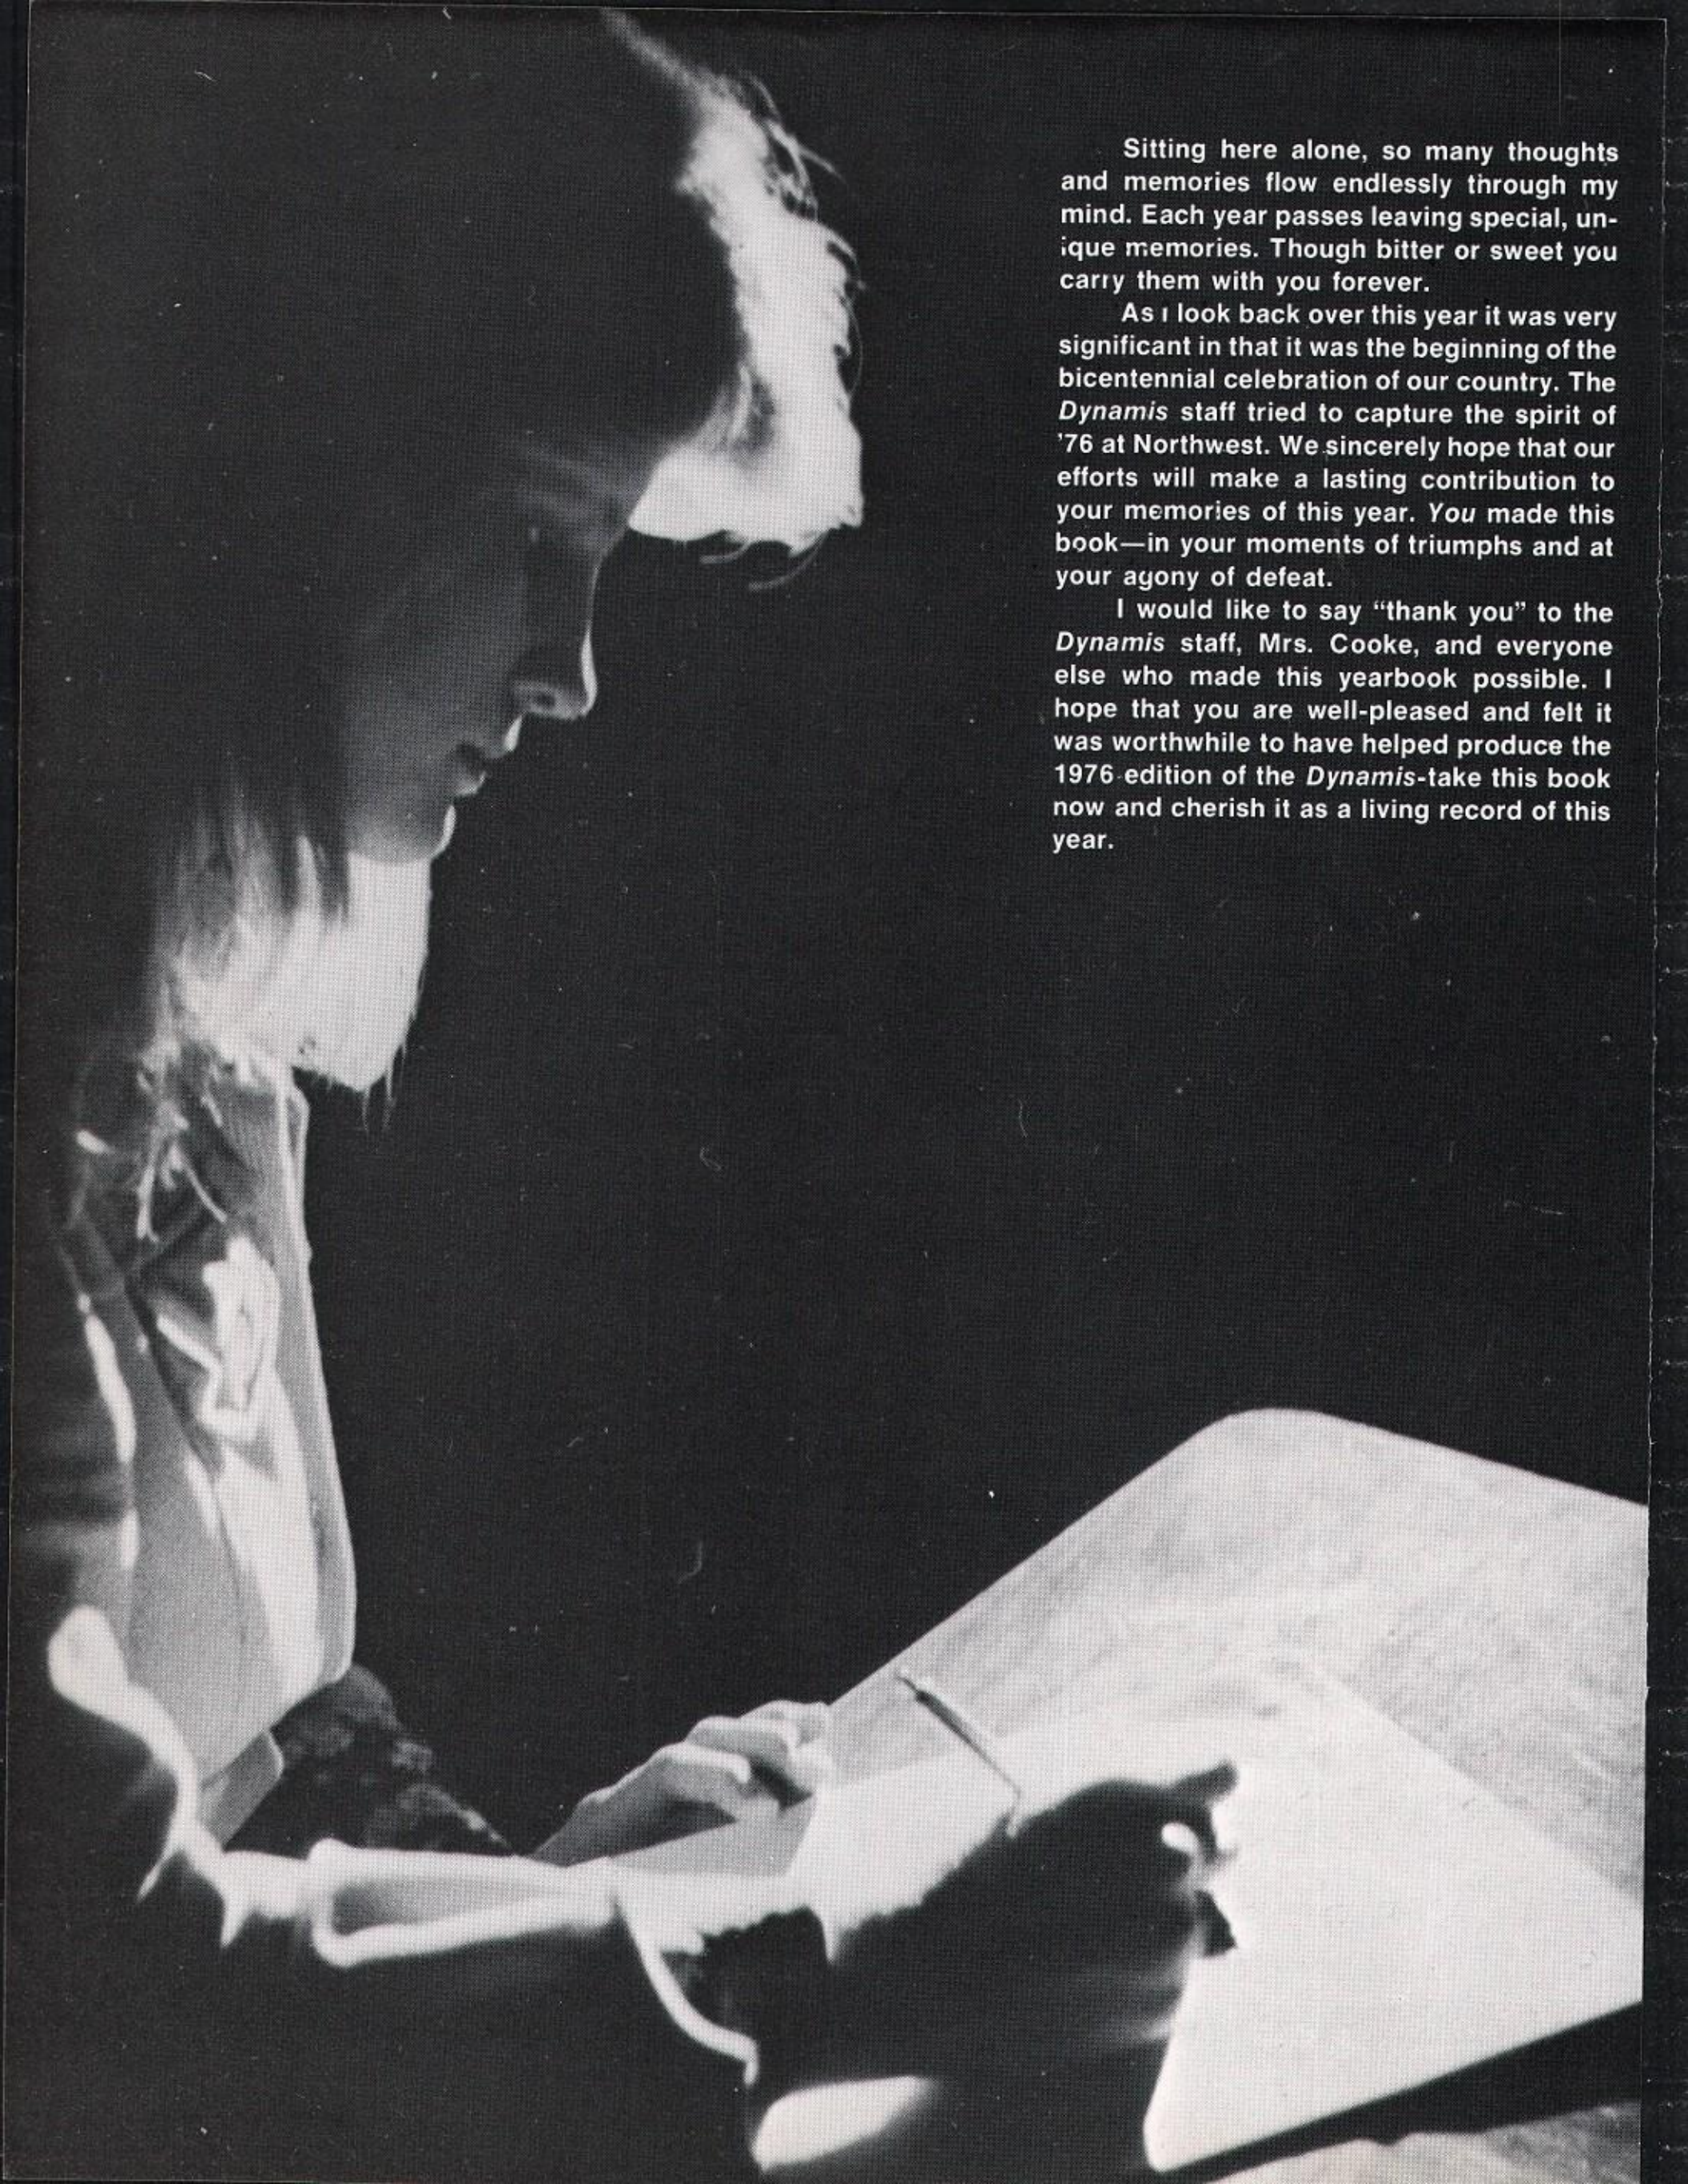

But today well lived makes every
yesterday a dream of happiness,

and every tomorrow a vision of hope.
from the Sanskrit

Sitting here alone, so many thoughts and memories flow endlessly through my mind. Each year passes leaving special, unique memories. Though bitter or sweet you carry them with you forever.

As I look back over this year it was very significant in that it was the beginning of the bicentennial celebration of our country. The *Dynamis* staff tried to capture the spirit of '76 at Northwest. We sincerely hope that our efforts will make a lasting contribution to your memories of this year. You made this book—in your moments of triumphs and at your agony of defeat.

I would like to say "thank you" to the *Dynamis* staff, Mrs. Cooke, and everyone else who made this yearbook possible. I hope that you are well-pleased and felt it was worthwhile to have helped produce the 1976 edition of the *Dynamis*—take this book now and cherish it as a living record of this year.

Today
